

# SMALL GROUP DISCUSSION GUIDE

## The Perfect Couple - Week 2

### CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

### GROW

What are the celebrity relationships that you've watched thrive or fail? Why are we so drawn to the relationships of people who are famous?

Think of the relationships in your life. Share something you're most grateful for in those relationships? When have relationships been hard?

If our lives don't suddenly become bliss once we find "our person," how could we look differently at our own role in relationships? What's hard about that? What's freeing about that?

If a promise doesn't replace preparation in your relationships, what might you work on in yourself first? How will you remain true to who God created you to be in your relationships?

Jesus didn't ask us to make promises to him, but to *follow* him. How does that affect your understanding of living a life of faith?

How could you *love as Jesus loved* the people in your life this week?

### BIBLE

Read 1 Corinthians 13:4-13, John 15:12. What do you notice?

### PRAY

Gracious God, we thank you for the relationships in our lives. Help us to see ourselves and others with grace and gratitude. In your son's name, Amen.
