Weird Stuff Christians Do - Week 2

## CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

## GROW

What are your favorite songs, artists, or styles of music. What do you love about them? Has your taste in music changed over time? Why?

In general, are you someone who likes to sing? Do you let other people hear you sing, or only when you're alone? Have you ever considered that singing in church is weird? Why or why not?

Think about a favorite hymn or worship song. If singing helps us remember what God says to us and about us, how does that change the way you hear the words of the song?

When has your friend, family or neighbor helped carry you through a tough time? Have you experienced that through music, particularly singing in church?

What would it look like for you to move from being a faith spectator to a worshiper who participates and engages?

## BIBLE

Read Colossians 3:16, Luke 19:37-40. What do you notice?

## PRAY

Gracious God, You created us for each other. Guide us to use our speech and our actions to draw other people closer to you. Amen.
