GET IN THE GAME

2024-2025
SERVICE OPPORTUNITIES

FBC FORNEY,

Our annual service commitment season, that we call Get in the Game, is upon us. We are asking you to make a personal commitment to serve the Lord by serving His bride, the local church. We are each called to serve the needs of the local church, and this service is good for us and produces growth in godliness. Through serving the needs of the church, we are transformed from a customer of God's house to a servant in God's house.

Christ has entrusted all of us with the care of His bride as He uses each of us to reach our community and the nations with the Gospel.

We have produced this booklet containing every major need of our church for the next 12 months. Please prayerfully consider where the Holy Spirit wants you to serve and then follow His leading by committing to a place of service. Your commitment is for 12 months only, and we will provide you with all of the training you will need for your area of service.

I am really thankful for how the Lord uses our gifts to serve His church and to mold us in godliness and can't wait to see how the Lord uses your sacrificial service for the expansion of His kingdom!

In Christ,

HOSPITALITY TEAM

The Hospitality Team at FBCF exists to facilitate an excellent worship environment before, during and after the Sunday worship services for all members and guests.

Worship is foundational to the church and, therefore, to every believer. The church is the setting in which the manifold wisdom of God can be clearly shown and acknowledged (Eph. 3:10) in our weekly gatherings.

The Hospitality Team is critical in helping to make sure every member and guest has the opportunity to fully experience all aspects of worship from the time they drive onto our campus until the time they leave.

The Worship and Tech Ministries are vital components of our corporate worship services.

As we lead worship, we are helping people connect with the purpose for which they were created - to glorify the living God. What an honor! To best facilitate this each week, an entire team is needed, whether it is on stage, in a production booth or behind the camera.

There are opportunities spanning the generations here at FBCF, from leading and discipling our children in Kid's Worship to singing in the Adult Choir.

Using your gifts in our Tech Ministry will provide you the opportunity to work with state-of-the-art production equipment. Training will be available, no experience is necessary.

Our Creative Story Team also has multiple needs including visual arts, photography and video.

Consider using your gifts and time to help our congregation and guests glorify the living God each week!
