MISSION SPOTLIGHT

Impact Houston Church of Christ

Impact Houston began in 1986 to bring the love of Jesus to the poor, the rich, the sad, the happy, the educated, the uneducated, every color and every race.

They still invest heavily in urban Houston's children and youth, with summer programs that reach out to 550 children and weekly Bible classes, small groups and activities throughout the year. Impact's Resource Center has seen sky-rocketing demand in recent years and has grown in its ability to meet those needs. They provide needed services to the homeless, and have added a six-month residential recovery program called the Life House.

Impact also has a worldwide imprint. Thousands of interns have come to work with inner-city children during the summer, and many have stayed for longer periods of service. Hundreds of youth groups have come both in the summers and on spring breaks to serve and be inspired to serve in their own communities. Former Impact workers and friends have been influenced to begin urban churches and ministries throughout the country.
