

LIVES UNDER CONSTRUCTION

You are the light of the world. A city on a hill cannot be hidden. - Matthew 5:14

I am so excited for the upcoming Family Center renovation here at Memorial! This building is utilized by so many different groups within our church and community. Like a well-used Bible, the signs of an aging facility are obvious. The Family Center has been a hub for classes, small groups, Bible studies, devotionals, meals, banquets, fun activities, sports leagues, homeschool groups, worship, seminars, service to others, and even a few retreats.

It has served as a shelter and resource center for hurricane refugees who lost their homes in Hurricane Katrina. We turned it into temporary housing for willing servants coming from across the country to help with repairs in our community after Hurricane Harvey. The Family Center is where our children and youth study for Bible Bowl and prepare for LTC.

Throughout the years, many people have come to know and choose Jesus because of time spent in this building. What a blessing it has been to our church family and to many others. As we look ahead, this renovation will help us become more effective in meeting the spiritual needs of our students, the congregation at large, and those of our community. We are thrilled to have more classroom spaces, a safer gymnasium, updated restrooms, a redesigned kitchen, and a new outdoor space. With these improvements, we will be able to teach the gospel more effectively and serve our congregation and community for years to come. As I look back on all the wonderful memories in the Family Center and with our youth and with my own family, I am happy to help renew this space for the next generation.

- Mike Avery, Youth & Family Minister
