The mission of the Brookland Baptist Church is to proclaim the gospel of Jesus Christ through Evangelism, Education and Economic Empowerment.

## HAPPY ANNIVERSARY PASTOR JACKSON!

**Brookland Members**, as we pause to celebrate fifty-three years of leadership, loyalty and love for our beloved Senior Pastor, Dr, Charles B. Jackson, Sr. Brookland, we are blessed with a Pastor, a leader and a friend who has based the nexus of his ministry on a simple four letter word L-O-V-E! Love! This 53rd Anniversary observance is not about his accomplishments (which are many); not about his accolades (which are vast); not about various entities of the MEGA Brookland Baptist Church but it is about our Pastor's commitment to God and the people he has strived to serve over the past fifty three years.

An observance of this sorts is usually given to Pastors all over on an ANNUAL basis but because of his humble spirit and placing the needs of the people first, his leadership style will not allow an annual anniversary celebration. It is not by accident but by divine providence that we are honoring Pastor Jackson, for this is his season to be blessed.

We simply ask that you display your love and support through providing a special love token to our Pastor throughout the month of February. Please see the ushers for a special envelope for your token or you may bless him directly. If you believe that God has blessed us with an anointed, loving, loyal leader and if he has ever ministered to you or your family by way of word or deed, then make your affection known by joining us in celebrating his 53<sup>rd</sup> Pastoral Anniversary!

# Brookland-Lakeview Empowerment Center honors former Lakeview head coaches

The Brookland-Lakeview Empowerment Center (BLEC) in concert with the Greater Lakeview Alumni Association held a dedication ceremony to commemorate the exceptional and enduring legacy of former Lakeview School head football and basketball coaches who collectively compiled 23 winning seasons and four state championships from 1944 to 1967.

"Nothing other than a state championship was considered successful at Lakeview," recalls Bennie L. Sutton, who attended Lakeview and now serves as board chairman of BLEC. "This event was held to capture and document history because if you don't, our history will be lost."

The Fall of 1944 was the inaugural year for football at the Lakeview School and the first game was played on the field. The school's earlier head coaches were Leroy Scott who served from 1944 to 1945 and Mr. Garnett Hall who coached from 1946 to 1947.

During the ceremony, the athletic field was dedicated as "Brooks-Fair-Danner Athletic Field" to honor Charles T. Brooks, head coach from 1948 to 1953; Leroy M. Fair (1954-1960); and Reginald Danner (1961-1963). The Lakeview School was closed and re-purposed as a middle school in the summer of 1968.

The athletic field became the property of Lakeview School during the early 1940's through the efforts of Reverend Luther B. Golden of West Columbia, S. C. Reverend Golden was one of the early principals of the New Brookland Colored School (circa 1920), which later became the Lakeview School due to its frontal view of a body of water named the "Horseshoe Lake."

The Lakeview School

gymnasium was also dedicated to honor Harold White, who coached football and basketball at Lakeview from 1964 to 1967. A dedication for the Harold White Human Development Center was initially scheduled in 2019, but the pandemic caused the delay.

"It is appropriate to recognize the outstanding coaches who served Lakeview School with exceptional devotion and dedication," said Dr. Cindye Richburg Cotton, BLEC executive director. "By naming the athletic field in their honor means their success will never be forgotten and provide a sense of pride to their families."

BLEC presented plaques to the families of the honored coaches as a posthumous recognition of the devoted and dedicated coaches who helped to "Transition Boys Into Men."

US Foods sponsored the event by providing light refreshments to the attendees. Each year, US Foods partners with the BLEC to support a program or initiative in obser-

vance of Dr. Martin Luther King, Jr. Day.

"We extend our heartfelt gratitude to Brookland-Lakeview Empowerment Center for the opportunity to honor the former head coaches of

Lakeview High School," said Andre Fortune, US Foods human resources coordinator. "Your generosity in allowing US Foods to participate in this historical event is greatly appreciated."

## ***RED DRESS DAY AT THE LAND***

American Heart Month is observed every February. Every year more than 600,000 Americans die from heart disease. Heart Disease affects all ages, genders, and ethnicities. Unfortunately, African Americans are more at risk for complications from heart disease. Risk factors include high cholesterol, high blood pressure, smoking, diabetes, and excessive alcohol use.

The American Heart Association, Churches and other faith-based organizations, community leaders and the medical community have formed partnerships to increase awareness of the impact of heart disease.

Promotions such as Wear Red Day continue to affect positive changes towards healthier outcomes and reduction in health care cost. People are taking action but there is still room for a higher engagement.

### **Heart Attack Warning Signs**

Uncomfortable pressure, squeezing, fullness, or pain in the center of the chest that lasts more than a few minutes or goes away and comes back.

Pain or discomfort in one or both arms, the back, neck, jaw or stomach.

Shortness of breath with or without chest discomfort.

Other signs such as breaking out in a cold sweat, nausea or lightheadedness.

As with men, women's most common heart attack symptom is chest pain or discomfort. But women are somewhat more likely than men to have some of the other common symptoms, particularly shortness of breath, nausea/vomiting, and back or jaw pain.

### **Stroke Warning Signs**

- ♦ Sudden numbness or weakness of the face, arm or leg, especially on one side of the body.
- ♦ Sudden confusion, trouble speaking or understanding.
- ♦ Sudden trouble seeing in one or both eyes.
- ♦ Sudden trouble walking, dizziness, loss of balance or coordination.
- ♦ Sudden, severe headache with no known cause.
