Power Word: SALVATION

Jesus shares His Heart for Living Saved.

Romans 10:9-10; Philippians 2:12-13; Matthew 28:18-20

Who God Is: God offers salvation through the gift of His Son, Jesus Christ, but more is required than just words.
How We Follow Him: I live a life that moves me from confession to action, and I will bear fruit for the Kingdom.

COME

Jesus shares His Heart for Living Saved.

Romans 10:9-10; Philippians 2:12-13;
Matthew 28:18-20

Jesus explains salvation on a spiritual level, shining light on the importance of living saved, not just confessing salvation.

GO

Read Romans 10, Philippians 2 & Matthew 28

Walk It Out! Ask yourself each day, "What does my salvation need to look like today?" Then identify one opportunity to obey God's Word: serve someone selflessly, share Christ, or make disciples through your words, example, or testimony.

GROW

Salvation Requires Evidence

1. **RECEIVE:** Salvation begins with confession but moves to letting Jesus be Lord over our lives. We don't just confess that Jesus exists. We confess Him as Lord! We should not confuse free salvation with intentional obedient discipleship. (Romans 10:9-10).
2. **Work It Out:** Salvation must become visible. Work out does not mean work for...Jesus paid it ALL. It means to bring something to its intended result; to allow what God has done for you to be seen through your life! (Philippians 2:12-13).
3. **Go!** Salvation sends us into Kingdom Work. Jesus commands the saved to **make disciples**, not just confess. We are NOT to simply sit still until we die and go to Heaven. There is more. (Matt: 28:18-20).

My Prayer Response

Lord, thank You for salvation; I will use Your gift to serve, bear fruit, and make disciples.
In Jesus' name, I pray,
Amen.

Notes:

POWER *Words*

Here is a list of words with definitions that describe **Salvation**:

Salvation: Refers to the deliverance from sin and its consequences, associated with eternal life granted through faith in Jesus Christ.

Lordship: Signifies the authority and sovereign rule of God or Jesus Christ over all creation, emphasizing obedience and submission to His will.

Surrender: Means yielding one's will and life to God, submitting fully to His authority and trusting in His plan.

Transformation: The process of spiritual renewal and change. Holy Spirit, leads us to a life that reflects the character of Christ.

Sonship: Refers to the status of being a child of God, granted through faith in Jesus, which includes inheritance and relationship with the Father as "born-again" believers.

WHAT is *Salvation*

Think of salvation as a superhero's dramatic rescue! God sent Jesus to save the world! Just like you'd swoop in to save your child from a speeding car, Jesus gave His life and died a torturous yet miraculous death for anyone who will trust in Him. He stood in the face of death for us. (Rom. 6:23). Salvation is God's grand rescue mission through Jesus.

But wait, there's more! Salvation isn't just a one-way street; it's a divine partnership that requires believers to move in faith and transform their lives. Meet the big three "POWER" moves of salvation: Justification, Sanctification, and Glorification.

Justification is God's courtroom drama where you walk out free from sin's hefty fines. Accept Christ, and your spiritual rap sheet gets wiped clean (Rom 3:23-25). Jesus paid the ultimate price on the Cross, covering past and future crimes. In the **adoption** twist, you are welcomed back into God's family with all the rights and privileges as His beloved.

Regeneration is like a spiritual makeover, where Holy Spirit moves in and renovates your character, your inner-man, kicking off a life-transforming journey with Christ.

Sanctification is the art of "being holy," pulling believers away from sin's death grip (Eph. 5:26; 1Thess. 5:23). God's game plan is for you to level up into a Christlike 'POWERHOUSE'. If you trip up, no worries, because God's got plenty of backup plans (1 John 1:9). Holy Spirit is your personal trainer to help you clean up your life in this spiritual walk with Jesus. You are ready to do Kingdom work that "...eye haven't seen, nor ear heard..."

Glorification is the grand finale, when believers receive their ultimate upgrade, and sin takes its last dropkick, forever! This epic transformation awaits when the Lord returns (1 Cor. 15:51-57). These earthly bodies will transform into heavenly beings, and Jesus will be seen in all of His majesty, power, and glory! Until then, Earth remains a sin-infested, death zone, but those in Christ hold a heavenly passport to a sin-free future.

But here's the key: your personal RSVP to see God's heavenly throne room is crucial to your salvation.

To get in:

- Do not conform...stay committed to Christ.
- Know Christ's identity and yours in Jesus alone.
- Believe in the truth of His Lordship as Savior.
- Walk it out, through His Word, trusting Jesus to lead your life daily.
- Be in service to Jesus until He comes back.

You must encounter Christ personally and hand over the keys to your life. That's when real salvation begins, as Christ's power triumphs over sin's grip on your life. (2 Tim. 1:12). The challenge? Grow in grace and stay tuned for some grace-fueled growth. Check out Rom. 1-4; Eph 4:22-24; 2 Pet 1:2-9; Rom. 6, 10; Col 2 and James 4 for more divine downloads!

Note: When offering salvation to someone, you can't go wrong with John 3:16 and Romans 10:9-10.
