FROM OUR SENIOR PASTOR...

HAPPY NEW YEAR! Can you believe that it is January of 2023 already! Scratch that. 2024! How many times have you written or said the wrong year? How long do you think it will take to get used to writing 2024? One online survey revealed that their readers answered:

- A week or two (43.9%)
- Right from the start (37.8%)
- More than two weeks (18.29%)

It may take some getting used to writing 2024, but I hope and pray as believers we never get used to seeing God do the things in our church that only God can do.

Highlights from 2023

- 34 Salvations
- 13 Baptisms
- Over \$200k given to missions and outreach
- Served over 2,000 people in various outreach ministries throughout the year

Not to mention our partners

- Ray Spence Evangelist – 218 salvations; 340 rededications; 8 called to preach
- The Arc (Philadelphia, MS) – 40 baptisms of which most were new believers
- Church 8025 (Thornton, CO) – 12 salvations and baptisms; increased to an average of 178 on Sundays; 359 at Christmas Eve service
- Romania Mission Trip (Robert Delk helped in Romania) – 220 salvations

I'm sure I could have come up with more, but I think you get the point. God did so much in 2023, but I don't think we have seen anything yet! I truly believe 2024 will be greater with more eternal impact than ever before. The only question is will you be a part of it? I surely hope so!

Looking forward to a great year!

Bro. David
