SPECIAL THANKS FROM ABBY CALHOUN

Your hospitality on Sunday was incredible, Highland. Thank you so much for all of the smiling faces, encouraging words, and all you did to help us welcome our CDC Families and Employees to worship on Sunday. The families were so appreciative and grateful for all of the love they felt while they were in church. Many of you gave up your worship hour to go and care for the kids (as many of you do each week), and I'm thankful that we were able to give parents a chance to worship without having to worry about their children.

As far as the lunch goes, it takes a village and I am always so grateful to have so many of you in my corner. A special thank you to all of the classes that provided sandwiches for lunch (The David/Nancee Greer Class, Carolyn Neal's Class, The McCarty Class, The Watson Class, The Calhoun Class and The Purvis Class.), desserts provided by Wanda Clay and Fran Snowden, and taco soup made by Dana Carson. The HBC/CDC Ministry Team, along with Cheryl Bowles, decorated the FLC and made it so cheerful and kid friendly and the hospitality team and a few extras went above and beyond to make sure all of my plans were executed perfectly for lunch.

Your servant hearts continue to help make all of the dreams and visions we have become a reality and I am just incredibly grateful we get to serve together. As I mentioned in worship, it's been a goal of mine for six years to combine the CDC world and the church world together in worship. I always knew it would be a lot of work and it'd have to be bathed in a lot of prayer. I never wanted to plan the CDC Celebration for the kids to show-off, but I knew the way to get a lot of CDC families here was to involve kids in our worship service. Only 20 kids came to sing, but we had 142 CDC Staff/Family members make reservations for lunch on Sunday and more than that actually came to worship. Every ounce of work was worth it and I'm thankful many of you were involved in making that possible.

Thanks be to God.
