**FROM OUR DIRECTOR OF CHILDREN'S MINISTRIES...**

Each summer, the kids ministry goes to Centrikid Camps. It is a week full of Bible Study, Worship, Recreation, Track Times, and then of course some jumping, some radical dance moves, playing games, and learning new skills that all relate back to scripture. This year at Centrikid, the theme is called "Wow Factor: God Gives Great Gifts." They will explore 1 John 3:1a, which says, "What great love the Father has given us that we should be called God's children—and we are!" Our kids at Highland will explore how God gives above and beyond everything they can ask or think. Each day has a different theme that they will unpack and spend time in Bible Study, Track Times, Worship, Recreation, and Church Group Time learning more about. They will learn about how God gives great gifts, God gives His Son, God gives His Holy Spirit, God gives a forever family, and God gives His promise.

These kids are so excited to be going to camp in a few days! And we cannot thank you enough for helping us get to camp this summer. Because of your generous donations, all of the kids are getting to go to camp without paying a penny, so THANK YOU! There have been kids that have had a countdown until camp since September, others ask me every time they see me about the theme and the different activities that they will be doing, and it makes my heart so happy to see these kids so excited to be at camp for a week learning all about Jesus!

We will be leaving Friday, July 5 for camp and returning on Tuesday, July 9. Our camp location is in Pulaski, MS at Timber Creek Camp. If you want to write the kids an encouraging note throughout the week, please do so! You can hand the note to me and I'll be sure to read it or give it to the appropriate child while at camp.

Please, please be in prayer for these kids. We have witnessed God working in kid's lives at camp, and I know that He will do it again. Some of these kids going to camp have been asking me and their parents biblical questions, so pray that they continue to ask questions. Pray that their eyes and ears are opened to hear what The Lord has to say to them. Please pray for these kids, youth team assistants, and adult chaperones while we are camp each day. They are:
