Everyone has a story. Whether it includes tragic events, profound loss, or lack of faith, we all face storms. (If you haven't faced one yet, you can be sure one is brewing.) Class discussions, studying God's Word, prayer for guidance, and testimonies of hope and strength are all a part of this class as we strive to grow a deeper faith. Come to support or be encouraged as we help each other "weather our storms" by looking to God, the One who is mighty to save!

Join us in this ten-week deep dive into Ephesians, where we will delve into both the context of Paul's original message to his audience and its application to us today.
