Don't have a Smart phone? 

Contact Michael Ricci at michael.ricci@stdominic.net or 262.781.3480, Ext. 225.

We will order a unit with headphones for a one-time cost.

The only other cost to you is AA batteries.

See full instructions for use on the other side.

Hearing Assist Guide

Using a mobile device

1. Download the WaveCAST Receiver App on the Apple App store or Google Play Store.
2. Join the Wi-Fi: **StDominicChurch** or **StDominic PAAC** using your device's settings menu.
 - The password is **stdominic**
3. Open the WaveCAST app, search for devices and select **Church** or **PAAC** as the channel.
 - The search button is located in the lower left of the home page of the app (image below).
 - First time users may be prompted to verify internet settings and check cellular data. This notice can be ignored.
4. Audio should begin playing automatically. Volume can be adjusted via the slider or the volume buttons of the device.

Discover Devices Icon is in the lower left on mobile devices.

Using a Williams AV Receiver

1. Turn on the unit by rotating the recessed dial until the power light turns on.
2. Open the battery pack on the back of the unit, and press "Channel Seek."
 - Do this when changing spaces between the Church and PAAC, or if audio is isn't heard.
