Welcome

REFLECTION

Fr. Tim was ordained to the priesthood on May 15, 2021 at the Cathedral of St. John the Evangelist. He enjoys being actively involved in the school and life of the parish. "As I begin my first few years after ordination, I know St. Dominic can help me become the priest God wants me to be."

Guests and Visitors

At St. Dominic Catholic Parish you will discover a welcoming group of people with a desire to seek Christ, know Christ, and become Christ, each one for the sake of all. We offer a place to belong, to worship, to grow, and to serve. We are excited to get to know you as you learn more about us. Please let us know how we can help!

New Members

We meet personally with all new members to provide a warm welcome, answer questions, fill out the necessary forms, and help you get connected. To join our parish family, please contact Molly Schmidt at 262.781.3480, Ext. 241 or molly.schmidt@stdominic.net. We look forward to meeting you!

Becoming Catholic

We are glad of your interest in learning more about the Catholic faith. For each person, the path to seeking, knowing, and becoming Christ is unique. The Church recognizes the importance of this journey. Please contact our Pastoral Associate, Mary Lestina, who will be happy to talk with you about the process at 262.781.3480, Ext. 228 or mary.lestina@stdominic.net.

You can never repay a mother's love. While it may not occur as often as we would like, there are some homilies we never forget. For me, one of these homilies was given by Fr. Ken Omernick, pastor of St. Charles in Hartland. His opening words were: You can never repay a mother's love.

It's true, our mothers do so much for us that it is impossible to repay them. They give us life itself, nurture and raise us, support us, perhaps most importantly, worry for us and give us a glimpse of what unconditional love is.

That is why when I heard from Fr. Ken that I could never repay my mother for her love, a lightbulb went on in my head. Because I had been trying to repay her, I bought gifts, dinners, flowers, chocolate, all trying to repay the debt, to get even, but nothing I did ever seemed to bring me closer to that goal of repaying my mother for her love.

Mothers provide a revelation and experience of God no other person can provide: being loved by someone unconditionally and whose love I did not earn or deserve, but is freely given. A love that cannot be paid back. Mothers in a unique way give us the love of God. In this mother-child relationship they prepare us to receive the unconditional love of God himself, which can also never be repaid. Mothers prepare us for relationship with God.

Which is why it is fitting to celebrate Mother's Day in the month of May which is dedicated to our heavenly mother Mary. Sadly, some of us may not have had a mother as we would have hoped. A broken world will have broken mothers, if we never experience the unconditional love of a mother, we will never fully receive the unconditional love of God. We will spend our life trying to repay, to get even with God. Our relationship with Him will always be transactional.

So God gives us a mother, his very own, Mary. Who loves us as only a mother can do, unconditionally, without our deserving of it. That is why Mary is so important in our Faith and in our life, she prepares us for God. The more we grow in our relationship with Mary and our love for her, the more she will lead us closer to God. Mary provides us the unconditional love of a mother we may not have had in our own life.

This is the love we celebrate this weekend. Whether we receive this love from our biological mother or our spiritual mother, the love is same. A love that is life giving, nurturing, supportive, sacrificial, unconditional, and maybe even with a touch of worry, in short, we celebrate a mother's love, a love that can never be repaid.

Happy Mother's Day!

NOTICES

HVAC Work Continues

As communicated, we are in the process of replacing the heating and cooling system in the church. Demolition began May 6 and work will continue until after Memorial Day. This means the church will not have air conditioning for the next several weeks. We will monitor the weather and have contingency plans including offering viewing of Mass in the air conditioned Marcy Center or holding Mass in the Parish Arts & Activities Center. We will do our best to communicate, but these decisions will be made on a Thursday or Friday for the upcoming weekend and may only impact one or two Masses. We ask you follow the guidance of the hospitality team and pray for comfortable temperatures. Thank you for your patience.

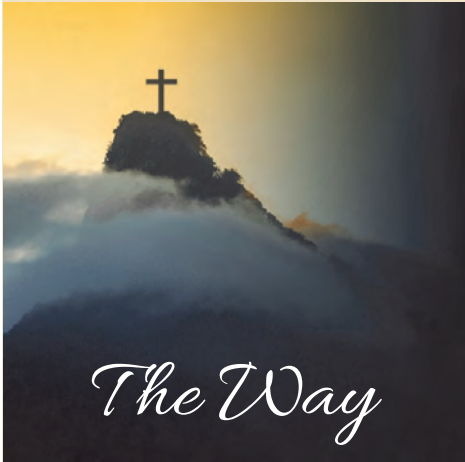

Summer Office Hours Begin May 24

Between Memorial Day and Labor Day weekends, the Parish Center is open Monday through Thursday from 9:00 AM until 5:00 PM and Friday from 9:00 AM until Noon. As a reminder, there is a mail slot in the Parish Center door for dropping off documents 24/7.

MISSIONARY DISCIPLESHIP

The Way

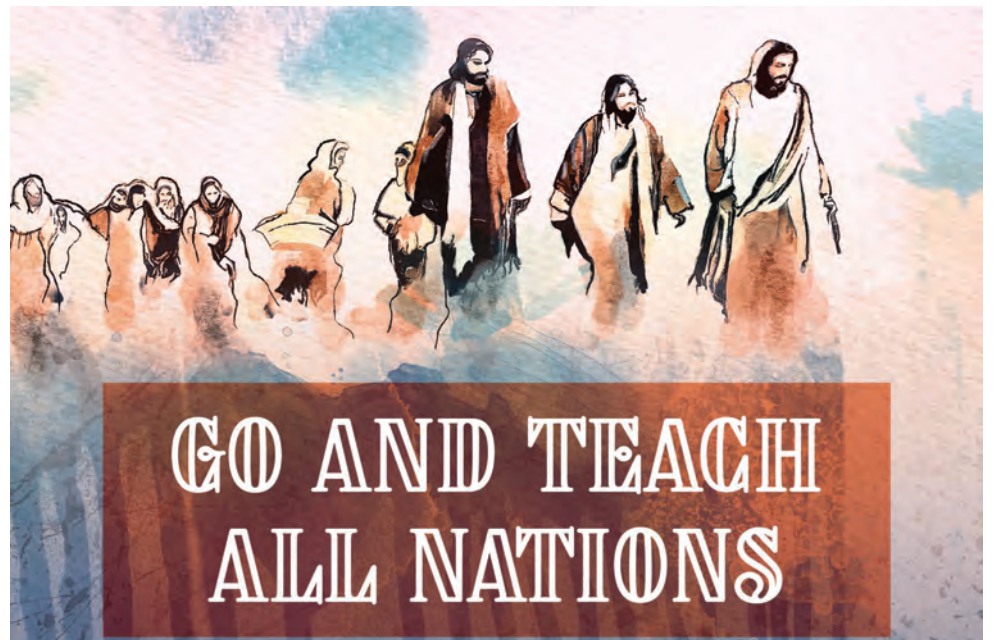

It is so nice when I find inspiration for these articles from our parishioners. Recently, one of my fellow prayer corner partners shared a video with me entitled "Finding Our Place, Finding Our Happiness," with Arthur C. Brooks. I appreciated the opportunity to review this video because it speaks to The Way in a manner that is different. As an educator, I value the multiple avenues in which a message can be transmitted, for the way that I send and receive information may not match the way someone else may send and receive information, but the information is so important it can't be lost.

Therefore I share this with you. This is The Way in someone else's words.

At St. Dominic, we use the term Missionary Disciple to speak to those of us who, in our own way, share our faith in God and love of Jesus with those we encounter. Some of us are very zealous in that venture while others may be more quiet. Both are beautiful and greatly needed in our world. Regardless of your approach, your work in bringing Jesus into our world or maintaining His presence in our world is important. If not you, who? If not now, when? If you are hesitating, please consider joining the Discipleship Commission in responding to the invitation to do something by participating in The Way Workshop next weekend at 4:00 PM on Saturday, May 18 or at 10:15 on Sunday, May 19 in the Marcy Center.

Want to talk? Please contact Jill Fischer at jill.fischer@stdominic.net or 262.781.3480, Ext. 252.

DOMINIC DAYS!

We are looking for some new faces and fresh ideas!

Join us for a festival committee "MEET AND GREET!" on Thursday May 30, from 6:00-9:00 PM at the Social Haus (N48W18474 Lisbon Rd, Menomonee Falls)

- Come for a beer or beverage of your choice
- Rub elbows with some of the festival committee members
- Learn what we do and in what areas help is needed
- Ask questions
- See if being on the festival team might be something you want to try
- Shadow one of us during the festival to get an up close look at what it's like

All are welcome to join us whatever your level of experience. We know you have a vested interest in the continued success of our parish and our Dominic Days festival. While it may seem daunting, we find ways to make a little extra time in our schedules, because we truly enjoy what we do and working alongside all the other volunteers. Serving on the committee is also a great way to meet other parish families and establish new friendships. We would love to meet and talk with you. Don't worry, there is no commitment and absolutely no obligation.

Thank you for your consideration! Your Dominic Days Festival Committee

Communion to the Homebound

One of the beautiful ministries in the church is visiting homebound members of our parish family and bringing them Communion.

1. *Are you bringing Communion to a family member, friend or neighbor?* If so, we need to add them to our list as recipients. Please contact Mary Lestina with their information.
2. *Do you have a PYX?* If so, we are asking all those with a PYX to use a burse (leather pouch for the PYX hung around your neck). The traditional practice of carrying it in a burse close to one's heart is both practical and respectful. You can obtain a burse from Mary Lestina.
3. *Have you had your PYX purified in the past few months?* If not, please contact Mary Lestina to have it purified.
4. *Do you know someone who is need of having Communion brought to them?*

A homebound ministry training session will be held on Monday, May 13, at 6:30 PM in the Marcy Center for all those interested in bringing communion to the homebound. All who are bringing communion are invited to this session for updates.

GOING DEEPER

Today's Gospel Reading

Take a moment to sit with today's Gospel: Mark 16: 15-20. Allow the Spirit to work in you, with you, and through you.

What would boost your confidence in being able to give witness to the goodness of God in your life?

As a person of faith who believes, what signs, physical or spiritual, do you notice in your life as opposed to those who do not believe?

While we do not know anyone's eternal fate, we do know there are real consequences for people who do not believe in God. If nothing else, they do not have the hope and comfort of knowing the God of Love. We must care about their belief as much as we care about our own. This is why we evangelize.

How are you working to bring others into the knowledge of God's love and comfort? How are you sharing your relationship with Jesus so others can come to know Him?

Welcome Ms. Brita Willis!

I am pleased to announce that the search committee has reviewed the candidates we received for our school principal position. After interviewing several we have selected Ms. Brita Willis who comes to us after 10 years as a teacher and several administrative positions at University School of Milwaukee. She was selected because of her outstanding support of our Catholic faith and our mission of maintaining a strong Catholic identity in our school. While she has never been principal, she will have the support of the teachers and of Mrs. Jill Fischer who has agreed to "on-board" her. Please see her letter of introduction in today's bulletin to learn more about what she brings to our parish family. Please pray for her, our outgoing principal, Mr. Francis Dempsey, and for our school.

SAINT OF THE WEEK

The Fatima Children

Francisco Marto, Jacinta Marto, and Lucia dos Santos, were three young shepherds from the village of Fátima, Portugal. On May 13, 1917, all three saw an apparition of Mary while tending to their flocks. The apparitions continued for six months, culminating in the famous Miracle of the Sun, or Miracle of Fátima, on October 13, 1917, which was witnessed by thousands of people.

During the apparitions, Mary conveyed messages to the children and asked them to pray the rosary. She petitioned the children to pray for world peace, the end of World War I, for sinners, and for the conversion of Russia. She also gave them three secrets - predicting the end of World War I and the start of World War II, a vision of those suffering in Hell, as well as a prediction of the persecution of Christians and a man dressed in white, probably a Pope, being shot. The Church recognizes this as the assassination attempt on St. Pope John Paul II's life in 1981. ©LPi

Sacrament of CONFIRMATION

Meet our new school principal

Brita Willis

Dear St. Dominic Parish and School Communities,

I am filled with joy and anticipation at the opportunity to join the St. Dominic parish family as your next school principal. Embracing the values of the Catholic faith and academic excellence, I am excited to embark on this journey alongside our teachers, students, families, and parish community. A top priority of mine will be collaborating with you to continue the tradition of providing a nurturing and enriching

educational experience rooted in Catholic teaching. Together, I am confident that we will inspire minds, develop character, and seek Christ, fostering a community where each individual can truly shine.

One of my greatest blessings in life was the opportunity to attend Catholic schools during my entire education; St. Mary of the Assumption from K-8th grade (Ohio), Lake Catholic High School (Ohio), Marquette University for my undergraduate degree, and University of Portland (Oregon) for my Masters degree as a member of the Pacific Alliance for Catholic Education. I bring experience from both parochial and private schools, most recently, twelve years at University School of Milwaukee in River Hills.

One of my passions is developing children's inquiry and critical thinking skills through science, technology, engineering, and mathematics (STEM) education. I have experience coaching preschool, elementary, and middle school robotics teams. As a recipient of Innovation in Teaching Awards for multiple years, I have demonstrated the ability to mentor teachers in developing engaging, creative learning experiences for children of all ages. After being a contributing member throughout the process of building K-8 maker space experiences in my current school, I look forward to the upcoming STEM lab opportunities for our students at St. Dominic.

My leadership style has always been one of visionary thinking, creating teams of people who work together empowered to accomplish common goals. I have led both social-emotional and curricular departments where I served a critical role to both build and strengthen curriculum while providing meaningful coaching alongside our teachers. At St. Dominic, each student, teacher, family member, and parishioner has God-given talents and skills that, together, strengthen our community. In the upcoming months, I look forward to meeting you and learning about the people that make St. Dominic such a great place to pray, work, learn, and play.

I invite you to pray alongside me as I begin this important work. Pray with the verse, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14). It is of utmost importance to nurture and support the spiritual growth of children, which is central to the mission of a Catholic school. I look forward to my role of continuing to build and strengthen St. Dominic as an environment where children feel welcomed and encouraged to develop their faith and take it with them as their foundation in their daily lives.

As a former track and field athlete at Marquette University, I know that races are won with humility, dedication, and a drive to be the best you can be each day. My first lap during this new role as principal will be building relationships, so I look forward to meeting you soon! Go Knights!

Sincerely,

Brita Willis
