REFLECTION

Paul Burzynski comes as no stranger to parish liturgical life. After serving the people of God at St. Stanislaus, the Basilica of St. Josaphat, St. Martin of Tours, and St. Rita, he is grateful to serve St. Dominic Catholic Parish, as we gather around the altar to give glory to the Almighty. May God continue his work in and through us all.

Daily Inner Renewal

It has been said that Memorial Day is the unofficial start of summer. For those of us who live in Wisconsin, that could either be true, or simply wishful thinking. Many of us spend a greater part of the colder months considering what we might plan to do in summer; a vacation with the kids, a summer DIY home project, or simply the resolve to enjoy the warmer months in a simple way. We all seem to want to pack as much activity into the warmer months as possible—getting out there and enjoying life.

As we get older, many develop difficulty doing many of the things they loved when younger. The sad truth is that we age! Doctors and health professionals tell us that our bodies peak in our 20s and 30s, and those of us older than that can attest to the validity of their opinion.

Fortunately, as St. Paul tells us, that although this happens, our inner self is renewing. Although our physical self may be challenged, we must never allow our spiritual self to become weakened. How do we help with that daily renewal of which St. Paul speaks? We do so through a intentional connection with God. Through prayer. Through the Sacraments. Through Sacred Scripture. He is present in all these things—there for us—assisting us in renewing our inner self, our spirits, day by day.

So, just as we may work out physically, we need to exercise spiritually. And though our bodies may be diminished over time, our spirit, which makes us who we are, which indeed is the dwelling place of God, is renewed unto the end of the age. Happy Sunday, friends!

NOTICE

Election of Parish Trustee (Fourth & Final Notice)

The Charter of St. Dominic Catholic Parish states that our congregation will have two trustees serving as officers of the parish to assist in attending to its affairs. Kathy Hoffman serves as the Trustee-Treasurer and Joe King as the Trustee-Secretary. I am very grateful for the help Kathy and Joe have given me over the past year.

Kathy's current term ends on June 30, 2024. As Pastor, I am asked to present a qualified candidate to the parish. With her permission, I am nominating Kathy for an additional two-year term as Trustee-Treasurer.

The parish charter allows any practicing, baptized, and confirmed member of the parish, who is at least 25 years old, to place their name in nomination. This must be done in writing and be accompanied by signatures of at least 10 practicing adult parish members. Nominations must be received in the Parish Center by June 11, 2024.

Please contact me if you have any questions about the responsibilities, expectations, schedules, or time commitment of this vital role as Trustee.

Thank you,
~Fr. Dennis Saran

MISSIONARY DISCIPLESHIP

Apostasy

A word has entered into my consciousness lately and it keeps reinserting itself: apostasy. I first landed on it while preparing to read the Letter of St. Paul to the Hebrews. I then heard it again in a podcast. Then it was in a book I was reading. I figured since I've seen it 3 times, I need to pay attention to it. Apostasy is the formal disaffiliation from, abandonment of, or renunciation of a religion by a person. It can also be defined within the broader context of embracing an opinion that is contrary to one's previous religious beliefs. Apostasy is pretty prevalent right now and it continues to grow (American Beliefs Study, 2021).

As disciples, this can appear to be a very bleak and sobering reality. As we at St. Dominic pour everything we have into The Way, St. Paul assured us 2000 years ago, as he does today, that "You need endurance to do the will of God and receive what he has promised. (Hebrews 10:36). I see it as the Good News is already out of the tube. Once it is out, you really can't put it back in. We have scores of people out there who have heard of Jesus Christ so the toothpaste is already out of the tube. They are choosing not to use it. They may even be trying to put it back in the tube in the form of apostasy. We all know that is nearly impossible. Once you know it, you can't un-know it. Fortunately, God can do anything. He is using us to do something with that toothpaste.

In one quick Google search, I found

42 other uses for toothpaste besides brushing your teeth. According to recent statistics shared by the Vatican on April 24, 2024, the number of baptized Catholics has increased globally, rising from 1.376 billion in 2021 to 1.390 billion in 2022, with a relative increase of 1.0%. Just think, if every single one of those 1.390 billion Catholics shared a small bit of their faith story with the scores of people turning their backs on Christ, what a movement that would create! It would be a whole new Jesus revolution! That would be 1.390 billion uses of Jesus in our lives. Each story would be unique and different but quintessentially powerful. While we can't impact the globe, we can impact our community.

Do you have a story of an encounter with Jesus? Have you ever shared it? You should! Start with your circle of influence. Share what God did for you today. Share where you saw God in the ordinary as well as the extraordinary. Once you start, you won't be able to stop because the joy that results is so good. It is like sharing about the greatest toothpaste you let out of the tube and applied to your teeth. The result is clean and bright and refreshing.

Need help honing your story? Contact Jill Fischer at jill.fischer@stdominic.net or 262.781.3480, Ext 252. She's here to listen and help.

GOING DEEPER

Today's Gospel Reading

Take a moment to sit with today's Gospel: Mark 3:20-35. Allow the Spirit to work in you, with you, and through you.

Today's reading speaks deeply to division – a phenomenon we are familiar with in our current cultural. What does Jesus say about division? How does this apply to different areas of your life (marriage, family, work, society, etc.) How can you be part of the solution?

Is there anything within us that is divided? Are we divided between the world and God? Are we divided in what we believe?

Today's passage is challenging. A household must be united in faith or it will not stand. Have you experienced this tension? How has your relationship with God played a role in confronting the discord?

What does it mean to blaspheme the Holy Spirit? Why does Jesus say it is unforgiveable?
