# Welcome

## REFLECTION

Jill Fischer has been involved with Catholic education her whole life. As our director of discipleship and formation, she looks forward to helping all our members grow in relationship with Jesus every day. After all, we are called to be the hands of Jesus in the world and you can only do that by knowing Him.

### Guests and Visitors

At St. Dominic Catholic Parish you will discover a welcoming group of people with a desire to seek Christ, know Christ, and become Christ, each one for the sake of all. We offer a place to belong, to worship, to grow, and to serve. We are excited to get to know you as you learn more about us. Please let us know how we can help!

### New Members

We meet personally with all new members to provide a warm welcome, answer questions, fill out the necessary forms, and help you get connected. To join our parish family, please contact Molly Schmidt at 262.781.3480, Ext. 241 or [molly.schmidt@stdominic.net](mailto:molly.schmidt@stdominic.net). We look forward to meeting you!

### Becoming Catholic

We are glad of your interest in learning more about the Catholic faith. For each person, the path to seeking, knowing, and becoming Christ is unique. The Church recognizes the importance of this journey. Please contact our Pastoral Associate, Mary Lestina, who will be happy to talk with you about the process at 262.781.3480, Ext. 228 or [mary.lestina@stdominic.net](mailto:mary.lestina@stdominic.net).

### Be Opened

After reading today's Gospel a few times, I broke it down into some relatable parts.

There is a deaf person with a speech impediment. This means he is unable to hear/listen and has difficulty expressing himself. He has a perceivable weakness.

Jesus pulls him away and places attention onto those areas of weakness. He opens those areas up.

The man can now hear/listen. He can't stop talking because he is so thrilled about his encounter with Jesus. He is forever changed and wants everyone to know.

As I thought about this, aren't we all like this deaf man with a speech impediment. We all have that "thing" that prevents us from truly hearing others, if not from truly hearing God. We can grow distracted by our own thoughts, our own desires, our own agendas so much so that we can't "hear" anything else. This can make it difficult for us to express ourselves lovingly towards others. Recognizing that, we should and need to be pulled away to spend time with Jesus. While abiding with Him, just as the man in the story did, we need to share all that makes us less than what we were made to be. The man did nothing to be rendered deaf or to have a speech

impediment, but we definitely do things to close our abilities to listen and speak with charity. What weaknesses should you bring to Jesus? In this abiding, we should ask to be opened up. We should ask for the "Ephphatha." We need to come to this space of quiet with Jesus readily and often. We need to pray that our ears and our hearts be opened so that we, like the man, may praise Jesus for His infinite goodness. Like the man, we should never be quiet about it.

Dear Lord,  
I humbly seek Your divine guidance and the ability to hear Your voice clearly. Grant me the discernment to understand Your will for my life and the courage to follow it. In my prayers, may I find the answers I need and the strength to trust Your plan for me. Amen.

## MISSIONARY DISCIPLESHIP

### Life with Jesus

As disciples of The Way, let me run this quote by you from the book "The Religion of the Day: Sequel to From Christendom to Apostolic Mission" by Msgr. James Shea and Dr. Jonathan Reyes:

Christians have always been concerned about the political and cultural order, since it touches on justice and human relations. They know that Christ's life and light can make a significant difference in how things go for individual people and for whole societies. They know that temporal happiness can be more widely disseminated and human suffering significantly curtailed by addressing the architecture of social life. They attempt where possible to see truth, justice, and peace furthered and evil kept at bay. What they do not do is set their hope on fixing the world by human means alone or on replacing the one we have with a better working model. They know that they cannot get at the true root of the world's evil through political and cultural change and that the ultimate destiny of our visible world hangs on far higher invisible realities. (University of Mary Press, 2024, p.109f)

Do you believe that to be true? If so, you are the perfect person to participate in our upcoming day of formation with My Parish Matters on Saturday, September 21. This workshop, presented by the Archdiocese of Milwaukee, helps missionary disciples just like you learn how to help others see the

hope that a relationship with Jesus can provide, the security that a relationship with Jesus can provide, the identity that a relationship with Jesus can provide, and the peace that a life with Jesus can provide. Jesus invites each of us into the adventure of an extraordinary life with him and My Parish Matters provides you with the tools and training on how to share the Gospel, this very Good News, with people you care about.

Come on your own or with a group of friends. You will join other Catholics from around the Archdiocese for a morning of inspiration, practical training, and prayer right here at St. Dominic. Each attendee can choose one of two tracks offered simultaneously:

- **Parish Track:** Training to make your parish a community where all are invited and engaged.
- **Personal Track:** Training to help your friends and family encounter Jesus & His Church.

Register for My Parish Matters by scanning the QR code or visiting

[www.archmil.org/myparishmatters](http://www.archmil.org/myparishmatters). Free registration for St. Dominic parishioners when using the code STDOMSMATTERS.

Interested but have questions? Please contact Jill Fischer, Director of Discipleship and Formation, at 262.781.3480, Ext. 252 or [jill.fischer@stdominic.net](mailto:jill.fischer@stdominic.net). Please consider joining us.

If not you, who? If not now, when?

## CALL FOR LEADERS

### A Call for Small Group Leaders

Small groups at St. Dominic have been transformative for participants and have become an essential part of their practice of faith. So much so, that we constantly have more people looking to join a small group, and many of our current groups are busting at the seams. The problem? We need more leaders to meet this demand. That's where you may come in!

Many of our current leaders never saw themselves being a small group leader. And yet, as they grew closer to God through Missionary Discipleship Training, His call became clear: lead others closer to Christ through a small community of people who meet regularly to discuss the Sunday Gospel and apply it to their life.

*Is God calling you to serve others in this way? Is there a small voice in your heart nudging you to learn more?* Please contact Claire Ziolkowski about this life-giving mission at 262.781.3480, Ext. 253 or [claire.ziolkowski@stdominic.net](mailto:claire.ziolkowski@stdominic.net).

## GOING DEEPER

### Today's Gospel Reading

Take a moment to sit with today's Gospel: Mark 7:31-37. Allow the Spirit to work in you, with you, and through you.

How often do you need someone to repeat what they have said? Is it because you are not listening or because there is a physical reason you cannot hear? When we cannot properly communicate with someone, it can be frustrating and difficult to have a fruitful relationship. Do you think God finds you not listening? How do you think he sees your listening skills?

People brought the deaf man to Jesus to be healed. Are you bringing people to Jesus to be healed, to have their ears opened to hear His voice. their speech improved to be able to speak His words? Who is one person you can bring to Jesus this week?

What do you think Jesus is revealing through this healing  
Where in your own life might you be spiritually deaf or have a spiritual speech impediment?

### St. Dominic Catholic School

As the school year begins, we are excited to welcome back our teachers as well as introduce the newest members of our St. Dominic Catholic School staff:

### Is your child baptized? Would you like them to be?

What happens if the reception of the sacrament of baptism has been delayed? Fear not! Children under the age of 7 are able to be welcomed into the Church at any time. If they are older than 7 they are welcomed into the Church through the Order of Christian Initiation for Children. If your child has been baptized but reception of reconciliation and Eucharist has been delayed, they may receive the sacraments after proper formation. Contact Jill Fischer at [jill.fischer@stdominic.net](mailto:jill.fischer@stdominic.net) or at 262.781.3480, Ext. 252 for a conversation.

### Safe Environment Session

It's not too late to register for the final Safe Environment session this summer at St. Dominic. If you are planning to volunteer with minors, you must complete a safe environment session before volunteering. St. Dominic is hosting a session on September 12. Additional session dates are available at other locations. Sign up online at <https://www.archmil.org/Offices/Safe-Environment.htm>

## SAINT OF THE WEEK

### St. Caterina Volpicelli

St. Caterina Volpicelli was born in 1839. She experienced a conversion through conversations with many holy people. She entered the Third Order of the Franciscans, then the Congregation of Perpetual Adorers of the Blessed Sacrament, where her stay was short due to a severe illness. During this time she learned of a movement called the Apostleship of Prayer. This powerful apostleship dedicates each day to the Sacred Heart of Jesus, finding God in every moment, every task. This prayerful way of life and her devotion to the Eucharist, with hours spent in adoration, marked the next stage of her life.

Caterina founded her own order, the Servants of the Sacred Heart, in 1874. Her order opened the orphanage of the Margherites, a lending library, and set up the Association of the Daughters of Mary. St. Caterina participated in the first National Eucharistic Congress in 1891.

# Time Out Series

## *Voting with a Conscience*

6:15-7:30 PM

Parish Arts & Activities Center

- September 24
- October 1
- October 8

**THERE IS NO COST TO ATTEND. THERE IS NO NEED TO REGISTER.**

Whether it is your first time voting or your fifty-first time voting, exercising our civic responsibilities as a disciple of Jesus Christ can be a challenge. We invite all adults to join us in a three-part series focusing on how to meet our civic responsibilities in light of the gospel teachings of Jesus Christ. These sessions will not tell you how to vote but inform you on what to consider as a Catholic disciple when voting.

### SEPTEMBER 24 – VOTING WITH A CONSCIENCE PT. 1

The first part of this three part series will provide a human experience to the foundation for understanding the issues that face our country from a Catholic perspective. The Catholic Social Teachings establish the perspective Catholics are to have when making decisions.

### OCTOBER 1 – VOTING WITH A CONSCIENCE PT. 2

The second part of this three part series shares the guidance provided by the United States Conference of Catholic Bishops in their document “Forming Consciences for Faithful Citizenship: A Call to Political Responsibility from the Catholic Bishops of the United States” (2015). This document provides practical guidance to help Catholics exercise their political responsibility well.

### OCTOBER 8 – VOTING WITH A CONSCIENCE PT. 3

The third part of this three part series will help you take the Catholic principles we have learned and apply them to our modern political reality. We will examine the role of the media in forming our political consciences, analyze public policy in light of Catholic Social Teaching, and provide pointers for how to prayerfully approach the election season with hope and humility.

Questions? Please contact Director of Discipleship and Formation, Jill Fischer, at [jill.fischer@stdominic.net](mailto:jill.fischer@stdominic.net) or 262.781.3480, Ext. 252.
