# Welcome

## REFLECTION

Mary Lestina has been working in ministry all her life, thanks to the example of her parents who instilled in the family a love for God and sharing faith with those around us. As a pastoral associate, she serves those who are seeking to join the Church, engaged couples preparing for marriage, and providing compassion to those needing prayer and support.

## Guests and Visitors

At St. Dominic Catholic Parish you will discover a welcoming group of people with a desire to seek Christ, know Christ, and become Christ, each one for the sake of all. We offer a place to belong, to worship, to grow, and to serve. We are excited to get to know you as you learn more about us. Please let us know how we can help!

## New Members

We meet personally with all new members to provide a warm welcome, answer questions, fill out the necessary forms, and help you get connected. To join our parish family, please contact Molly Schmidt at 262.781.3480, Ext. 241 or [molly.schmidt@stdominic.net](mailto:molly.schmidt@stdominic.net). We look forward to meeting you!

## Becoming Catholic

We are glad of your interest in learning more about the Catholic faith. For each person, the path to seeking, knowing, and becoming Christ is unique. The Church recognizes the importance of this journey. Please contact our Pastoral Associate, Mary Lestina, who will be happy to talk with you about the process at 262.781.3480, Ext. 228 or [mary.lestina@stdominic.net](mailto:mary.lestina@stdominic.net).

## Change

Are you still scrambling with what to give up for Lent? I decided to give up coffee and 6 hours later found myself unable to do that. Knowing God's forgiveness, I reflected more on what I need to do that will change my heart. For we know that prayer, fasting and almsgiving is the church's invitation for us to enter deeply into the mysteries of the suffering, death and resurrection of our Lord. But there is more to just "giving something up." It is about CHANGE and adopting the life of Christ given to us.

We are beginning to see little signs of change in nature: buds on the trees and bulbs beginning to bloom. It's a reminder for us that new life emerges from the dormancy of darkness. Journeying with the Elect (those to be baptized at the Easter Vigil) and witnessing their change is truly a gift. We see how Christ is active in drawing them to himself; their hearts open for the many God-winks in daily life, their eyes open to see how God is working in their lives, and their ears open to the voice of the Holy Spirit.

Fr. Dennis reminded us in a sermon that we should not come to Communion unless we want to be changed. As we walk toward the altar to receive Jesus, He enters our lives in a tangible way and changes us into his image. That change may be small but it is effective. What change do we

seek? What change do we need?

In today's gospel we read the account of the Transfiguration. Prayer allows us to ascend the mountain as Jesus did and to hear the voice of God. Imagine what it was like for Peter, James and John to witness our Lord's transfiguration, to reflect on the experience, and later to share it with others after his death. It changed them forever and cemented their deep relationship with Jesus.

Reflecting on the change we need in our lives, let us think about where we fail. Could it be our judgement of others or harboring grudges? Could it be our selfishness or self-absorption? How effective can we be when we allow the noise of the world to overpower us? Practicing little virtuous habits will result in big changes in our lives.

God chooses to work through us, as flawed as we are, to share Jesus with others. During Lent at St. Dominic, we are offering Stations of the Cross, and Eucharistic Adoration on Tuesdays, Fridays, and during 40 Hours. Come away from your busy life and spend some time in prayer, in silence, and encounter the One who loves you unconditionally. Bring your brokenness, your lack of faith or even your sinfulness to Him who wants to change you with his Love.

A blessed Lent, my friends!

## MISSIONARY DISCIPLESHIP

### St. Joseph, Model of Discipleship

St. Joseph is our model of discipleship for this year's formation programming. We have utilized Tuesday Time-outs, bulletin articles, retreats, classroom instruction, and the school Masses to introduce

St. Joseph and share his many titles.

Our spiritual father requires a greater place in our faith than what he tends to receive. We forget that Jesus grew and developed as any human being, does except for sin, under the example of St. Joseph. We know Jesus to be loving, compassionate, forgiving, intentional, kind, dedicated and righteous. These are all characteristics he gained from being in a family with St. Joseph and the Blessed Virgin Mary as the heads.

As we honor St. Joseph, Spouse of the Blessed Virgin Mary, through the feast of St. Joseph on March 19, let us consider how we might grow closer in relationship to our spiritual father in order to learn from him the traits required of a disciple.

1. Entrust every intention to his intercession.
2. Honor the fathers in your life (or father figure)
3. Pray the Saint Joseph novena. (His feast day is March 19!)  
Try <https://www.praymorenovenas.com/st-joseph-novena>
4. Offer up your work to Saint Joseph the Worker.
5. Dedicate every Wednesday to his chaste heart.
6. Consecrate yourself (or your family!) to him.

St. Joseph, pray for us!

Thank you to our Advertisers!

### Build a Boat in a Desert

For reasons I'm sure have something to do with childhood Catechism and religion classes (and Jesus' 40 days in the desert) - I always visualize Lent with drought, oppressive heat, barrenness, and miles of sand. Background noise in my office today was contemporary Christian music, and Colton Dixon's "Build A Boat" began to play. If you've never heard this song, Google it, but you've been warned it WILL stay in your thoughts for days like commercial jingles of old. It's that catchy and awesome. Dixon sings of "Building a Boat in a Desert" *where they say it never rains. God is the Map and Compass who helps him navigate the currents. And when the floods and waters start to rise, he'll outride the storm because he's got God at his side. With God's wind in his sails, God's love never fails or fades...so let it rain.*" I'm paraphrasing the lyrics of course, but the message is powerful isn't it? Lent is a time of quiet sacrifice and self-denial; of doing some hard work to prepare ourselves for anything that may come our way. So this Lent find joy in your labors and whistle as you work; singing (or humming) as you go through Lent, leading to renewal. Leading us each step closer to Him.

Until next month...I've gone to Build a Boat ~Vivian Roe, Director of Finance

## GOING DEEPER

### Today's Gospel Reading

Take a moment to sit with today's Gospel: 9:28b-36. Allow the Spirit to work in you, with you, and through you.

Imagine being Peter, James, and John and witnessing this change in Jesus, showing His divinity, and being enveloped in a cloud, and a voice claiming that His Son should be listened to. Do you think they understood the gravity of this event? How can you tell? Would you know how to respond to a voice saying that you needed to listen to what Jesus was telling you?

Peter desired to stay in the midst of the moment of glory, the intimate moment of the Trinity, the Father's voice, the chosen Son, and the cloud of the Spirit. What glorious moments of life do you wish to stay in? How have those moments changed your life? How can you live your life differently because of those moments?
