

RE: Dress Code Memo

July 28, 2025

Hello St. Dominic Families,

We will have a dress code for the littles, and we are changing our vendor for K5-8 graders. The dress code we will be using and the links to the K5-8 are included below. It was brought to my attention that some who have tried ordering through Lands End do not see a drop down for St. Dominic. We are aware of this issue and are doing our best to work through it although Lands End has not been the most responsive. In the meantime, please just order directly using the links below. Given that this is our first year working with Lands End and consistent communication may have been lacking, we will also allow the K5-8 graders to continue wearing the plaid option many families may still have from Dennis Uniform. We will use this year to gradually fade out of Dennis Uniform plaid with the hopes of all K5-8 graders being in the Lands End Plaid by Fall of 2026. Similarly, we will also exercise flexibility with our K3 and K4 given that this dress code is new. Please do your best to adhere to the options indicated below. However, we know we are dealing with little bodies and if a K3 or K4 top needs to be white or red, for example, without a collar that is okay.

Thank you for your patience and understanding with our dress code changes this year. Let me know should you have any additional concerns or questions. I can be reached at colleen.rooney@stdominic.net, and I am excited to work with you.

Fondly,
Principal Rooney

New Plaid Vendor- Lands End

Beginning in the 2025–2026 school year, our plaid uniform items will be provided by **Lands' End**. This change is due to Dennis Uniforms going out of business. While the new plaid pattern is not an exact match to our previous one, **Hunter/Classic Navy Plaid** from Lands' End is the closest available option that meets both our quality and affordability standards.

“Top of the knee length” means that the hem of the skirt, skort, or jumper should touch the top of the student's kneecap when standing upright. The jumper/skort/skirt should not be noticeably shorter than the knee.
