

St. Dominic Catholic School

2024-25 Tuition Contract

Dear St. Dominic Families,

With our 2023-24 School Year approaching completion, we want to ensure that all important documents for next school year are on file with us before departing for summer.

The 2024-2025 Tuition Contract is attached for your review and signature. Fr. Dennis and your Finance Council remain committed to keeping Catholic education affordable. **Regular K5-8 tuition rates are unchanged.** K3 and K4 tuition rates have increased in accordance with increasing expenses and to cover the cost of additional K3/K4 staff for next year.

As a Catholic community, we support one another and the mission and ministries of this parish through our financial stewardship. Tuition covers only a portion of the cost to educate our students. It is a commitment of our parish families, regardless of whether they have students currently in our day school, to support Catholic School education.

Because of this responsibility, we offer a tuition discount for parish families who have children in our school. There are obligations to being considered for this discount. Please see the contract for the requirements to receive the ***parishioner tuition discount***.

Fulfilling these eligibility requirements is required for the ***parishioner tuition discount***. Families who do not meet these requirements by the end of the 2024-25 School Year will lose the discount and will be responsible for the difference.

In keeping with our commitment to affordable education, tuition assistance is available. The Tuition Assistance Application is found on the school website under Families>Resources. To allow us to process the requests, the deadline for applications is June 30, 2024. We are grateful to the dozens of parishioners who have prioritized donations towards the Tuition Assistance Fund. Please contact us to discuss any special needs or if you wish to donate to this Tuition Assistance Fund.

Thank you for choosing St. Dominic Catholic School. We look forward to another fantastic year inspiring minds, developing character, and seeking Christ.

Sincerely,

Vivian Roe
Director of Finance

Your active stewardship is essential to maintain the viability and quality of a St. Dominic education.

In accepting a parishioner discount, you agree to practice your Catholic faith and support our parish. This means that you agree to:

- 1) Complete and submit an annual Stewardship Form, usually available in September/October.
- 2) Have someone in your family participate in a volunteer activity at least once at the parish or the school during the school year.
- 3) Have contributed to the parish more than zero dollars. This is in addition to tuition, school fees, or any other school costs.
- 4) Pay the non-parishioner rate differential, if by the end of the school year you have not met these requirements.

I further agree:

- To participate in all parent conferences as requested.
- To ensure that my child/children complete all assigned homework, and to give their teacher(s) whatever support is necessary.
- To support the disciplinary and uniform codes as prescribed in the current Parent Handbook, and to comply with all other general policies specified in that Handbook.

_____ We are active Parishioners and agree to the terms of participation

_____ Please assess our family the Non-Parishioner rate

By enrolling my child/children in St. Dominic Catholic School, I/We accept total responsibility for the payment of all tuition and fees due.

I understand that a change in my personal financial circumstances will not alter or negate my contractual responsibilities, and that I must submit an Educational Grant Application by June 30, 2024 to be considered for financial assistance available from the Parish. *The Grant Application is found on the school website.*
