Master Campus Plan Update

We are currently in Phase I of our Master Campus Plan. Demolition of the former Student Center is complete, and the site is currently being cleared. A containment fence has been erected for safety around this area. Entrances 7 and 8 and parking spaces within the fence are closed. Entrance 6 to the Choir Hallway remains open. We look forward to adding additional parking in place of the former Student Center. In the meantime, we continue to encourage church members who are physically able to park at our South Campus on Sunday mornings and use the door-to-door shuttle, which runs from 7:30 am-12:30 pm.
