The Vision for the Mission

Romans 15:22-29

A vision for God's mission changes the way you see everything.

- Vision - A clear picture of a preferred future.
- God's Mission - The advance of the gospel to the nations.
- A Vision for the Mission - Seeing clearly how God wants us to participate in His mission right here, right now.

Paul's Ambition (Romans 15:20)

"I make it my ambition to preach the gospel, not where Christ has already been named."

1. A Vision That Sees the Gospel Need (verses 22-24)

Key Truth

A God-given vision doesn't just see what is — it sees what's missing.

Paul saw:

NOT comfort

NOT predictability

BUT lostness

Questions to Consider

- Where is Christ not yet known?
- Who has God placed around you that needs the gospel?

Your "Spain" may not be across the ocean...

It may be across the room.

2. A Vision That Strengthens the Church (verses 25-27)

The Offering Was:

- an act of generosity
- a demonstration of unity
- a reflection of the gospel

What Paul Understood

God's mission is not only about reaching new people. It is also about strengthening God's people.

Healthy Churches

Do not merely believe the gospel. They embody the gospel.

3. A Vision That Trusts God's Plan (verses 28-29)

Key Truth

We must own the mission— but let God own the itinerary.
We are responsible for obedience. God is responsible for results.

This Week, look at your:

- workplace
- neighborhood
- school
- family
- daily relationships

Ask: "How does God want me to join His mission here?"

Do You Have A Vision For God's Mission?

Are your decisions shaped by eternity — or convenience?

May We Live So...

- intentionally
- sacrificially
- generously
- obediently

...that others know Christ because we said YES to God's mission.
