After a meeting with the doctor this week, he informed me that I was gaining weight. I explained the generosity, kindness, and cooking abilities of my parishioners. He then reminded me that he “was treating me for lung and heart problems and not malnutrition.” God bless you for all the kind food deliveries and offers. I do have to cut back, but please don’t cut back on your prayers for me and all our sick. Again, I’m trying to slow down so the lungs can heal properly and am dealing with some heart issues. God willing, those will be resolved this summer. – *Fr. Richard*
