Prayer can truly change your life. For it turns your attention away from yourself and directs your mind and your heart toward the Lord. If we look only at ourselves, with our own limitations and sins, we quickly give way to sadness and discouragement. But if we keep our eyes fixed on the Lord, then our hearts are filled with hope, our minds are washed in the light of truth, and we come to know the fullness of the Gospel with all its promise and life.

Pope John Paul II
