

Purpose Statement:

The purpose of the WUMC scholarship fund is to make available a one-time opportunity to reduce the financial burden associated with a continuing education degree to an individual. The ideal candidate would be a member or an active participant in our congregation for at least 2 years in pursuit of a post high school certification (University degree or trade school certification). The applicant would submit an application which includes outlining their educational goals, describing how the church community has impacted them, and how they will use their continued education to further them to a goal of service.

A. General Information

Applicant First and Last Name _____

Email Address _____

Home Address _____
