

Dear Pastor,

The General Conference Committee on Faith and Order was directed following the last General Conference to study recent developments in sacramental practice, including the practice of online Communion, in our churches. We need your help to ensure our data is accurate. We estimate this survey would take less than 10 minutes to complete. Your responses will help our General Conference know what is happening in our local churches, and will help the Committee ensure our sacramental theology and practices align with each other.

When you are at the end of the survey, click submit and it will return to us. The form was to be completed by **June 2, 2025 but now we ask you submit it as soon as possible**. Here is the link: (<https://forms.office.com/r/iY8MPddPtj>)

Thank you so much for your help with this important task. If you have questions or concerns, please contact me at pastormandy10@gmail.com

In Christ,

Rev. Mandy Sayers
