"Putting the Pieces Together"

What do we do when the pieces of our lives don't seem to fit together in a way that makes sense? Too often, we push and pull trying to make the pieces fit in the places that we want them to go, but they bulge and break at every attempt. What if we could learn to step back and ask God to show us the whole picture on the puzzle box and ask Him to place each piece where it belongs? After all, who made the puzzle? God did, of course, and His desire is for you to be in a close and trusting relationship with Him through Christ and His Holy Spirit, allowing Him to shape the pieces and put the whole puzzle together in a wonderful and beautiful way, beyond anything that you could imagine.
