Learning to Live in God's Possibilities

- What is something that stuck out to you from last Sunday's teaching?
- Circle Time: Share about a time you looked at a situation or circumstance and thought that it was impossible?
 - What were the determining factors for you that made it impossible?
 - Was it actually impossible?
 - At what point did you give up? Or at what point did you break through the "impossible"?
 - When someone uses the word impossible... How often is it actually impossible? How often do they actually mean something is just hard?
- Read Luke 1:26:38
 - Why do you think Mary was greatly troubled at Gabriel's words?
 - Have you ever felt greatly troubled by something you read in scripture or at something you felt God was calling you to do?
 - What was it specifically that troubled you?
 - Why do you think you felt troubled instead of peace in light of the faith that we have in God?
 - Last Sunday Pastor Dave taught us that being "greatly troubled" is the human condition?
 - What do you think he meant by that?
 - He said that we don't understand the possibilities of God in our life! Do you agree or disagree? Why or why not?
- What were all the reasons that Mary had to say no to God?
 - What are the reasons people conjure up to say no to God?
 - What did it take for you to finally say yes to God?
 - How has God proved Himself to you since you said yes?
- What are some reminders for us the season of how much God loves you?
- How do you share that with others?
