

Hey Siri, I have a question.

Hi, how can I help you?

A Lens to View Human Sexuality

- What is something that stuck out to you from last Sunday's teaching?
- Circle Time: What do you think Pastor Dave means when he says to talk about how we think about something?
 - What is involved with that?
 - How is this different than talking about the "thing" itself?
 - Can talking about HOW we think about a subject change what we think about that subject? Why or why not?
 - Everyone says that they're open to having conversations about their opinions, but in your experience are people actually generally open to hearing something different than what they believe?
 - Are YOU open to hearing more than talking today? Can everyone agree to have this conversation without taking offense? If not, you should talk about something else...
- Who does the bible say that you are?
- Read Acts 17:28
 - What does it mean that we are His offspring?
 - How does that define how you live your life? What is our "being" that we have in him?
 - What does it mean to "move in Him"?
 - Who all is included in the term "His Offspring"?
 - This verse talks a lot about how to identify yourself but what does it say about how you should identify other people?
 - What is your role for people who identify with a different sexual orientation than you?
 - Read 1 John 1:7
 - What difference does my walk in the light make to others?
 - When I walk in the light what does that do to my relationship with others?
- Pastor Dave said that he desires to see us be a redemptive community rather than a community of the redeemed.
 - What does that mean for us in regards to the LGBTQ+ community?
