

2023 VBTS Retention and Graduation Rates for Graduate Programs

VBTS Retention Rates*

The following displays the percentage of first-time, full-time graduate degree seeking students enrolled in the previous fall who re-enrolled the current fall.

2023-24	2022-23	2021-22	3 yr average
0%	100%	0%	100%

*0% indicates no first-time, full-time students enrolled in the fall of that year.

VBTS Graduation Rates*

The following displays the percentage of first-time, full-time graduate degree seeking students who completed their degree within 150% of the normal time for completion.

2018 cohort	2017 cohort	2016 cohort	average
0%	50%	0%	50%

*0% indicates no first-time, full-time students enrolled in the fall of that year.

Note: VBTS does not offer undergraduate programs. Students who enroll in the graduate programs of VBTS are normally employed full-time and therefore enroll on a part-time basis. The “first-time, full-time” category employed by TRACS for the determination of retention rates and graduation rates does not account for the considerable majority of students enrolled at VBTS.
