DISCOVERY DAYS

DEAREST DISCOVERY DAYS FAMILIES

March was such a fun month! I know you all would like to be a fly on the wall of their classroom to see all the happenings! Lots of shrills of laughter, serious construction, and very funny conversations! I LOVE PRESCHOOL!

A big SHOUT OUT to the Allen Fire Department! They did a great job demonstrating their bunker gear, discussing the equipment on their truck, and even allowing the kids to get ON their truck! Oh, can you imagine all the questions they had? The firefighters are always patient and really stress the importance of fire safety and safety plans at home.

It is with a very heavy heart that I let you know that I will be retiring at the end of this school year. It is so hard because you and your babies are family to me. There is not a major life event, it is just time. The staff at FBC Allen is already reaching out and searching for the right person to carry the torch.

Discovery Days preschool is ALL of us! It is the amazing ladies in the office, the wonderful ladies in the classrooms, and our very special families that provide the bundles of joy for us to love. I'm so very thankful for the team that makes up Discovery Days.

Please feel free to reach out if you have questions.

Blessings, Leslie Meil

OPEN HOUSE

APRIL 25
6:30-8:00 PM

This year we are talking about letting our light shine for Jesus! Please plan to join us on **Thursday, April 25**, as we share our art, enjoy a cookie together, and sing some of our favorite songs for you.

Our 3s, 4s, and kindergarten classes will be performing in our Worship Center at 6:30 p.m. Our 2s and 18 month old sweeties are invited to watch the program with their parents and sing along in the pew. The Rotunda and each classroom will be filled with wonderful creations from your child!

Make sure your camera has plenty of storage for all the precious pictures you will take.

"Let your light shine." Matthew 5:16

Clothe yourselves with compassion, kindness, humility, gentleness, and patience. -Colossians 3:12
