Discovery Days Newsletter

November 2024

Happy November, Discovery Days Families!

Can you believe it's already November? October was a month full of fun and excitement! From the rodeo to the pumpkin patch and all the imaginative costumes, the children had an absolute blast. As we transition into the holiday season, I hope you'll take a moment to pause and enjoy the simple joys this time of year brings—cooler weather, the vibrant fall colors, the delicious seasonal treats, and, most importantly, time spent with loved ones.

At Discovery Days, November is all about cultivating a sense of gratitude and wonder in our children. As we discuss Thanksgiving, we are laying the groundwork to help them appreciate the blessings in their lives and recognize the many gifts we receive daily from our Lord and Savior Jesus Christ.

We are so thankful for YOU and your wonderful children, and we cherish the opportunity to partner with you during this special season. Wishing you all a blessed and joyful November!

Warmly,

Joyce Brown

Staying Healthy At Discovery Days

Please keep your child at home if there is a green or yellow discharge from the nose, he or she has a fever, or he or she is vomiting or has diarrhea.

A child must be free of fever for 48 hours before coming back to school.

1 Chronicles 16:34

Give thanks to the
Lord, for he is good;
his love endures
forever.
