# Thomas Watson | *A Body of Divinity*

To glorify God is to set God highest in our thoughts, and to have a venerable esteem of him...

There is in God all that may draw forth both wonder and delight; there is a constellation of all beauties; he is prima causa, the original and springhead of being, who sheds a glory upon the creature.

# Thomas Watson | *A Body of Divinity*

We glorify God when we are

God-admirers; admire his attributes, which are the glistening beams by which the divine nature shines forth; his promises which are the charter of free grace, and the spiritual cabinet where the pearl of price is hid; the noble effects of his power and wisdom in making the world, which is called 'the work of his fingers.' Psa 8:3.

To glorify God is to have God-admiring thoughts; to esteem him most excellent, and search for diamonds in this rock only.
