Restrooms and Nursery

Women's restrooms are located to the right as you exit the sanctuary. Men's restrooms are located straight out the center doors. The church nursery is located to your left as you exit the sanctuary. The nursery is not staffed but it is equipped with a live stream of service, so parents can participate while tending to their child.

How to Give

If the ministry at Calvary is one that you want to support, there are a couple ways you can do that. An offering box is available at each of the sanctuary entry doors. You can also give online at clcs.org/give.
