## A Message to Our Guests

Thank you for choosing to spend your Sunday morning with us. We hope for your visit with us to be warm, stress-free, and meaningful.

## Featured Announcements

- **Children's Ministry Faith Buddies Program**  
Our goal is to team up congregation members with children in the Sunday school program to expand the children's faith community and bridge the generational gap. Events will be hosted occasionally throughout the year for those involved in Faith Buddies. Signups are available in the narthex or contact Heather Marrero for more info ([childrensministry@clcs.org](mailto:childrensministry@clcs.org)).
- **Gary Bugher Retirement**  
After serving as our Business Manager for the past seven and a half years, Gary will be retiring at the end of July. If you would like to share a note of appreciation, there is a card box and cards on the welcome table outside the church office.

## Restrooms and Nursery

Women's restrooms are located to the right as you exit the sanctuary. Men's restrooms are located straight out the center doors. The church nursery is located to your left as you exit the sanctuary. The nursery is not staffed but it is equipped with a live stream of service, so parents can participate while tending to their child.

## How to Give

If the ministry at Calvary is one that you want to support, there are a couple ways you can do that. An offering box is available at each of the sanctuary entry doors. You can also give online at [clcs.org/give](https://clcs.org/give).
