**Join us on National Day of Prayer (Thurs., May 1)**  
**Thurs., May 1**, is the National Day of Prayer. On this day Americans are encouraged to lift their voices in prayer for our country, imploring God's mercy and direction for our government leaders, the church, families, the military, businesses, education, and the media. May we all commit to pray, knowing that God hears our prayers and desires to bring blessings to our world. We encourage you to sign up for a time slot on the poster in the narthex that we might have a round-the-clock vigil of prayer. Prayer guides are available there for your use. All are also welcome to attend Calvary's chapel service at 8:15 a.m. as the children lift up prayers to our God.

**Looking to serve? Do you have a name to suggest?**  
Calvary's Nominations Committee is beginning its work of recruiting volunteers for our congregation's ministry teams and leadership positions. If you would like to volunteer or have a suggestion of someone who would be a good fit for a position, please let us know. Contact Kara Hiatt.

**The Church Mailboxes Are Moving!**

Pointing them toward Jesus, True North VBS shows them that he is a faithful friend we can always trust. He's our True North! **Jude ~ Contending for the Faith in Today's Culture**  
While often overlooked, the book of Jude remains as relevant today as when it was written. God has commanded His beloved church to contend for the faith in a world of unbelief, and as we do, He promises to keep us from falling into the same deception. In this 7-session study by Jackie Hill Perry, dive into themes of being called, loved, and kept, and learn how to point others to Jesus in grace & truth. We serve others well when we share the whole gospel with them, not just the parts deemed attractive by our culture. Sign-ups begin mid-May.

**SCHOOL MINISTRY**

**Open Position for 2025-26 – Middle School Teacher**  
Our anticipated enrollment for the 2025-26 school year will require an additional Middle School teacher. We are seeking a teacher with a science background. Submit candidate names and information to the school office or by email.
