

LET'S FINISH IT!

Completing Eastside's Children's Ministry Center

One year ago, Eastside began the expansion of our **Children's Ministry facility** to share the love of Jesus with children and families. As our project approaches completion, we are raising the remaining funds, having provided the first 75% out of our reserves. Thank you for joining with us as we grow to bless families and teach their children of His grace!

What we need: \$100,000

- by year-end or as you are able
- we expect completion in early 2027

Your support will make a huge impact.

Every gift, large or small, will help to change lives and give children a biblical foundation for knowing God.

Examples of how your gifts will help:

- \$100 buys five sheets of drywall
- \$250 buys insulation for one classroom
- \$500 buys lighting for one classroom
- \$1,000 buys flooring for one classroom
- \$2,500 buys the new windows
- \$5,000 buys bathroom fixtures & cabinets
- \$15,000 buys the drop ceiling
- \$35,000 buys all the doors

Consider your gifts before the Lord. Just as your regular tithes are an act of worship, extra giving to this building fund reflects your love of the Lord and your expectation of His blessings on this work. Our desire is that you experience His presence as you commit to His Kingdom.
