

Online Giving

Our online giving experience is getting an upgrade. Our mission remains the same, but beginning **August 27, 2026**, our giving portal will have a new look powered by Raisely.

New Giving Portal

- **Beginning August 27**, all giving links on the OFC website will direct you to the new OFC giving portal, powered by Raisely.

If You Have a Scheduled Recurring Gift

- If you currently have a scheduled recurring gift, **no action is required to keep it going**. You do not need to create a new recurring gift. Your gift amount and frequency will remain the same, and your payment information and previous giving records will be migrated.
- **To access or make changes to your recurring gift**, visit the new giving portal, select **Log in**, then select **Forgot password**.
 - Enter the email address associated with your OFC giving account, and Raisely will email you instructions to create/reset your password.
 - You can also access your account through the **Access** link included in Raisely emails you receive after a recurring donation is processed.

Once logged in, you can:

- Review past donations
- Update your contact information
- Change your giving frequency
- Update your payment method

If You Do Not Have a Scheduled Recurring Gift

If you give regularly but do not have a scheduled recurring gift, follow these steps when making your first gift through the new portal:

- 1 Select your gift and follow the prompts to complete your donation.
- 2 Use the **same primary email address** you used on the previous giving portal.
- 3 After completing your gift, select **Log in** in the upper-right corner.
- 4 Select **Reset/Forgot password**, enter the same primary email address, and request a reset link.
- 5 Check your email for a message from Raisely and follow the instructions to create your password.
- 6 Return to the giving portal and log in to access your account information.

We strongly encourage you to complete the account setup so your contact information and giving activity remain connected to your OFC giving account and are easier for you to access in the future.

If you choose not to create an account at this time, your donation will still be processed successfully.

Giving Statements Are Unchanged

- Your annual giving statement will continue to be sent electronically to your primary email address by **January 31** each year.

Don't Forget to Update Your Bookmark

- If you have bookmarked our previous giving portal, please replace it with our new giving link:
<https://onefellowship.com/give>
- Old links will temporarily redirect you to the new portal, but we encourage you to update your bookmark now.

Thank you for your generosity and continued partnership in the ministry of One Fellowship Church. Your faithful giving helps make our ministry possible.
