Those Who Walk in Darkness Cannot See Where They are Going

John 12:34-36

Before the advent of electricity and the light bulb, the average American slept eleven hours at night. Doesn't that sound fun? So light brought less sleep, but also more vision. That is spiritually true as well.

4. What does the cross reveal?

5. Lesson one: To _____, you need _____

6. What is darkness associated with in Scripture?

7. Biblically, what is true of light?

8. Lesson two: Jesus is _____

9. What made Jesus so politically incorrect and the target of criticism?

10. Lesson three: _____ will _____ your life until you _____ the _____

11. What was the downside of the Enlightenment?

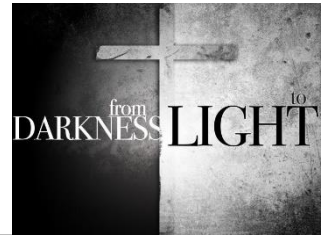

12. What did Jesus say to make sure of in Luke 11:35?

13. Why did Jesus urge His listeners to choose light?

14. What is the danger of saying “no” to God?

15. Why is not everyone running to the Light?

16. Why did C. S. Lewis say he believed in Christianity?
