

Sunday AM Sermon – February 18, 2024

My Time has Come

Matthew 26:17-19

There's an old cliché that "timing is everything." It's become a cliché because there's some truth to it. Even though God is timeless, moments in Earth history have very important timing. This morning we will look at Jesus' poignant words about time.

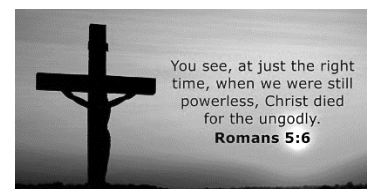

1. Mark the number of times you hear these words

Time –

Purpose –

Submission –

2. According to Romans 5:6, when did Christ die for us sinners?
3. What are the two Greek words translated "time," and what does each mean?
4. What do we see happening in Jesus' life when it wasn't yet His time?
5. When it was Jesus' time, what was Jesus' primary goal?
6. What circumstances converged to make it just the right time for Jesus to complete His mission?
7. Point #1: Live with _____
8. As Jesus was betrayed, abandoned, and arrested, what would have been natural to conclude?
9. What do we learn about God from creation?
10. What happens when humans don't fulfill our God-given purpose?
11. Point #2: Live in _____
12. Why was Jesus baptized?
13. What is submission?
14. Instead of passive submission, what did Jesus demonstrate?
15. In Acts 2:23, what did Peter say about the events surrounding the cross of Christ?
16. What are the purposes of fellowship, worship, service, evangelism, discipleship and orthodoxy?
