# Choosing a Path

Psalm 119:33-40

Have you ever been on a hike and come upon divergent paths and you don't know which way to go? That can be what life feels like. Surprise. Struggle. Anxiety and fear. But our Heavenly Father wants us to get safely home, so He offers help that only He can.

1. Mark the number of times you hear these words:

- Path(s) –
- Road(s) –
- Choice(s) –

2. What determines how our lives turn out?
3. What is our goal as disciples of Christ?
4. How are roads in the Bible labeled?
5. How does God simplify the direction of our lives?
6. Why are the thousands of “little” choices we make so significant?
7. Where do all paths lead?
8. According to Kyle Idleman, what reveals which gods are winning the war in our lives?
9. What wonderful truth do people seem to overlook?
10. What is never too early nor too late to do?
11. Reminder #1 to choose well: You have \_\_\_\_\_; don't \_\_\_\_\_ their \_\_\_\_\_
12. What linear results follow our decisions?
13. Reminder #2 to choose well: As a disciple, you have a \_\_\_\_\_
14. How can Jesus make such an important difference in our choices?
15. Reminder #3 to choose well: \_\_\_\_\_ your \_\_\_\_\_ no \_\_\_\_\_ what
16. What companion has God provided for disciples of Christ?
17. What is not only allowed, but also advised, in the Kingdom of God?
