

Hi there!

My name is Millie Hill, I am 18 years old, and I am in the process of attending Sunset International Bible Institute this summer, on the three year program.

I am currently seeking support both financially and through prayer.

So if you could please spare some of your time... This is just a little bit about me and what I am aspiring to achieve with my Lord!

About Me

Millie Hill

I grew up in the church with a ministry based family. My Dad, Paul Hill a full time Minister and my Mum, Janet Hill a Sunday school teacher.

However, despite always believing in God, I only truly knew Him when I was fifteen and surrendered my life to Christ through baptism. I met Jesus after facing many difficulties as a teenager and now God is using my story to support other women and young adults.

I enjoy doing women's ministry and supporting the youth and young adults. I am so passionate about my Lord and the love I have for Him. All I want, is for them to experience this first-hand too.

The ministry I am involved in now

Currently, I am working closely with the youth and young adults which I have been doing for around 3 years now.

Only last year I studied with a friend who gave his life to Christ and ever since we have been doing this work together through social media.

My personal ministry is with talking to young adults about taboo topics and making them comfortable conversations. I have worked closely with people suffering with various situations such as drug addiction, fornication, violence, mental health and many more. All with the purpose of them coming to Christ as they are and how, with God, we can talk about and prevent such issues.

With my women's ministry, I have been talking about these same topics, but how to minister to young adults that are struggling with the issues in today's society.

Purpose of attending SIBI and forward plan

Why I want to attend SIBI:

I want to go to SIBI mainly because ministry in the UK is lacking. Sadly, over the past few years there has been a lack of leadership and support.

My goal after SIBI is to return to the UK, to work in women's ministry and to further support the youth and young adults.

I am aware that such a role will require a readiness and dedication, I want to be well equipped and God has made it apparent that Sunset International Bible Institute is how we will achieve this.

I would also like to support my mother and father in their ministry works around the UK. Because, I know that God is only just getting started with a revival here.

How much do I need to raise?

Currently, I require to raise \$1500 monthly, which will go towards my cost of living and supplies for my studies.

These figures have been recommended by SIBI. As previously mentioned, I will be studying at SIBI for 3 years, so any support is appreciated. If you are able to support me in any way, the funds will be paid to SIBI direct and there I will be funded monthly.

As of now, I have had no support confirmed and I am mindful that time is pressing. We keep this in daily prayer. If you are not able to support financially, that is okay! But if you could please keep me in your prayers that will be greatly appreciated.

Prayers are appreciated

Thank you for giving time to read through this report.

I feel beyond blessed and loved by the people who have been reaching out to check how things are going.

I'd also like to express my appreciation to my family who have been supportive through my decision and my family who have been praying with me through this process.

With love always, Millie Hill.

Philippians 4:13
