

# Vizcaya Iglesia de Cristo Matamoros, Tamaulipas, México

SPRING QUARTER 2025

Greetings, Green Lawn brethren! Spring was full of fellowship and learning. Our youth were thrilled to attend two revivals, and had the privilege to host one here in Vizcaya. Also, this year, our annual Ladies event yielded 150 participants from all over Matamoros! This quarter we began a monthly couples class and our youth began monthly visitation to the elderly.

*COME AND VISIT US  
SOON! We'd love to  
host you :)*

*We're just 3 miles from the  
Brownsville, TX border.*

Our efforts continue to reach the lost through our radio channel and door-to-door evangelism, and encourage one another through visitation and home bible studies.

May the Lord bless you and keep you!

-Daniel Alvarez
