

Filled

Ephesians 3:14-21

The old adage from the earliest days of computers was “garbage in, garbage out.” Unfortunately at times, that is true for perhaps every aspect of our lives – including what we put into our hearts and minds. Paul wanted disciples to be filled with Christ.

1. Mark the number of times you hear these words (an activity to help children listen):

Filled –
Love –
Paul –

2. With what attitude and spirit did the apostle Paul speak his prayer?
3. What is communicated by the term Abba?
4. Lesson one: Filled to _____ (14-16)
5. What are religious people too often concerned about?
6. What was hard about being a disciple for the Ephesian disciples?
7. What does Paul say happens even though our bodies are dying?
8. Lesson two: Filled to _____ the _____ of _____ (17-19)
9. What does agape mean?
10. How do we come to know something that can't be known?
11. What was true of Jesus' love?
12. Lesson three: Filled to _____ in _____ (20-21)
13. Give some Biblical examples of God giving better than what people prayed for.
14. How does Paul end His prayer?
15. With the Holy Spirit living in us, why don't we do better than we usually do?

Faith Talk, Faith Walk

Spend time with family or friends (maybe over a meal or during a family devotional) discussing the following related to the sermon

Faith Talk: What do you see that keeps coming out of you? What does that reveal about what is in you?

Faith Walk: If you don't like what is coming out of you, you need to get filled with Christ.

If you are here and have been touched or convicted by something said or done today we would love to study the Bible with you and introduce you more fully to our Savior, Jesus Christ. Just call the church office at 795-4377 and we will set something up. God bless you!
