

March proved to be a blessing in so many ways, the Derby congregation continues to grow, we are working hard with studies, street ministry, coffee shop classes.

God continues to use us to His glory, we are out ministering daily in the community as we realize that folks wont just turn up, we need to meet them where they are.

Over the last month we have been able to share the gospel, the people are hungry for stability and security in a changing world.

We pray for God to continue to use us in this way to His glory.

Update on Janet

Janet is struggling physically, she just completed her treatment and is now housebound having nurses visit.

She is struggling to speak or process words as her memory is effected but she remains strong in her faith.

She had an MRI last Wednesday and once we get the results we will go from that point.

We appreciate all the messages, love and prayers, its extremely challenging but with our faith and trust in God we are doing good.

Janet sends her love and thanks.

Street Ministry

We continue the street ministries, often Jamie or my children join me, we also have a fantastic support from the church in Derby.

In the picture we have William and his wife, William will be an Elder here in Derby one day, he is a wonderful brother in Christ, he was the first brother here, I remember convincing him that he should start a new ministry here in Derby.

He did it by Gods grace, we are thankful for his love faith and trust in our great God.

God is doing great works here, we look forward to the months ahead.

Derby Increasing daily

Its hard to believe that we completed our ministry in Leicester and started the ministry in Derby June 2025, after 11 months we have seen so much take place. The picture is our very first Sunday with 21 people including Janet and myself.

We have been blessed to work with this incredible congregation.

Now in April 2026 we have 51 members with an attendance around 65 when all are able to attend.

The congregation are evangelistic the first Sunday of every month following worship the entire congregation distribute leaflets around the city before lunch. They have good plans to expand the gospel and we thank God.

UKBI

Over the last few years the UKBI has been made available to assist students to learn here in the UK.

This was a prayer answered as I longed for this to be available here.

In the past we had residential bible schools but these failed and were proven not to work.

We realized that brethren are all in secular work supporting families and homes, the online school is the answer, it enables students to study between shifts and work on own timelines.

Students are often already involved in church teaching and preaching.

We are extremely thankful to Sunset for this incredible tool and look forward to adding more students to the online program.

Church Of Christ UK

I have been working closely with churches of christ in the UK for many years.

Janet and myself were involved in helping start ministry's and carried out monthly campaigns around the UK dating back to 2000, we finished are last gospel revival back in 2014 as we started the new ministry in Leicester.

THE UK

We are seeing vast changes, brethren from Europe have flooded the UK and begun new ministries, these congregations are organized with preachers well versed in scripture, the Church of Christ is now in most areas of the UK, I am in touch with new congregations on a weekly basis..

MY PART

From a practical point I help establish meeting places, basic equipment and the legal side including setting up church bank accounts, I then work mainly to encourage the leaders by meeting in homes and checking they are ok giving prayers and encouragement, if required i provide teaching or share my own study notes, often I help with complexed biblical problems.

NEW CONGREGATIONS

The leaders are already established in abilities and understanding of the church, they are very organized, many of the teachers have studied at bible schools in Europe and have an outstanding knowledge, they are carrying out ministry work and bringing many souls to christ. I am always available and ready if they need me.

We give God Glory

Upcoming plans

Working around Janet's care as my priority.

I have planned ministry work preaching campaigns in London and teaching seminars later in the year.

I will also be carrying out missions up north in Leeds and also the city of Sheffield, this is a congregation we helped establish in 2004. I am also working with leaders in a collective outreach effort, together we are looking at outreach..

We are thankful To God,

Annual UK gospel mission

Each year we are blessed to carry out the UK gospel mission, I want to extend a very special appreciation to Mike Wilson who works so hard to help this event take place.

GOSPEL EVENT

Milton Keynes, Leicester, Shepshed, Coventry, Lincoln, Birmingham, Liverpool, Derby and Stoke. in Total we will have 17 gospel sermons.

We are reaching out to the lost, this is Gospel focused and we are campaigning daily.

Please Keep this in prayers

Thank you ministry partners

We thank you all for all the love and support.

Its a blessing to be able to serve in this way, we couldn't do it without you support.

God is doing great things and we thank you all for entrusting us to carry out this ministry.

To Him we give all glory
We love you all

In Him
Paul & Janet Hill

Jeremiah 29:11-13

For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart.
