MINISTRY CHANGES!

We have recently made a big change in our ministries and we are very excited about it! We feel we have done a lot with the youth group at the Church of Christ in Toluca and that they are in a good place now. We have decided to hand that ministry over into other capable hands and go where the Lord has called us, which is to the Church of Christ in Metepec. They are a small congregation of about 40 members and they reached out to us, in need of leaders. They welcomed us with open arms and immediately made us feel at home with them. We have been there for a month now and are very involved already! Yair is preaching once a month and song leading the other 3 weeks. Kelly is teaching Women's Classes once a month and has also been put into the children's Bible class teaching rotation. We are excited to see what doors the Lord opens there and how else he will use us. The youth group at the Church of Christ in Toluca is in good hands now, so we feel good about this transition.

Contact us:

Kelly: +52-722-240-7856
kellyraeannecm@gmail.com
Yair: +1-806-999-5494
yairivanml100@gmail.com

Kelly has a Mexican phone number now, so the best ways to communicate with her are through email or through Whatsapp, using the phone number to the left. However, Yair can easily be contacted through normal messaging.

EXERCISE MINISTRY

The last couple of months, we have been using our main hobbies: soccer, pilates, and going to the gym, as a ministry. We have been inviting people to workout with us and do pilates with us and building friendships with the people we meet at soccer. It's actually been a very effective and fun way of doing ministry and it provides a lot of opportunities to share our faith. We have made some really good friendships through this ministry.

SOCCKER GAME DAY

Although we are no longer going to the Toluca church on Sundays, we are still involved in their events, such as the game day this month. They hosted a soccer game at the park and the guys played while the women watched and mingled on the side. We both went and Yair played soccer with the guys and Kelly took photos. We have every intention of still participating in the events of the Toluca church and staying in contact with the members, especially the youth.

ILEB & COACHING

We get a summer break from ILEB, which is timed perfectly, because our coaching program is becoming very demanding. We have been taking extra coaching classes along with lots of recorded coaching calls as homework. We have learned a lot and it will definitely fit in with our ministries very well. We are so grateful for the opportunity to take this course.

WORLD CUP

Because of the World Cup, we have hosted a lot of watch parties at our home. These parties usually go till around 2am because once the game ends, we play games, drink coffee, and have deep theological conversations about the Bible. We always have so much fun that we lose track of time completely. The World Cup has been a great excuse to hangout all day with people.

Yair's sister invited her friend, Carol, to one of these parties. After the game ended, we were sitting at the table talking about a verse in the Bible when Carol asked, "Who is God?" She told us she was never taught anything about God or the Bible and had no idea what Christianity was. So we ended up sharing the Gospel with her and answering her many questions about God, the Bible, and Christianity. It was a really amazing experience. She still had a lot of questions by the time she had to leave, so Kelly invited her to Starbucks to keep talking about it. They are planning to go early next month, so in the next newsletter, we'll share how that goes.
