JUNE REPORT

JUNE

I am so excited now that summer has come around because that means I have plenty of exciting events coming up!

I have officially started my youth internship with the congregation of Greenlawn Church of Christ!

I am so incredibly blessed and grateful to be starting this journey, and for God to have put me here.

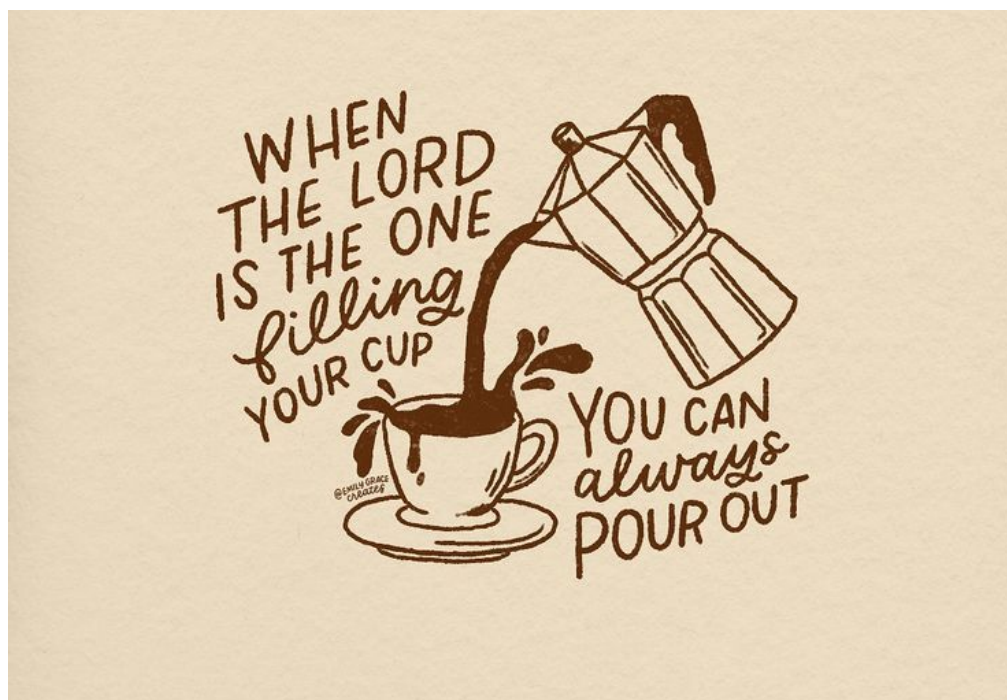

Life has been going great! I am feeling incredibly blessed!

Right now, with not being at SIBI for the summer, my day-to-day tasks include being at the Greenlawn offices serving with the youth, going on trips with Greenlawn and going on solo dates to a coffee shop somewhere!

I have been carrying on my evangelism course in my personal life; I go on these coffee trips to practice silence and solitude and to pray over the people I see...

However, I also want to start setting up coffee shop prayer stations, if anyone is interested in joining me in this, feel free to get in touch! This would include having coffee, bringing bibles for personal study, I want to put a sign out for anyone who needs to talk or has prayer requests!

MIDDLE SCHOOL MYSTERY TRIP

I had the best time at our mystery trip in Oklahoma City! Not only did we get to have a blast water rafting, but we also got to serve at feed the Children and have such a great time doing so. We also got to attend a baseball game which was a first for me! One thing I learnt, is that each one of these young people has a big heart for Jesus. I was very blessed to get to bond with them and I have never laughed as much as I did on this trip. I feel so encouraged by these middle schoolers, and I pray for them and their bright futures.

Thank you God for these beautiful souls and also for the parents' involved in their relationships with you.

PRAYER REQUESTS:

Our youth are preparing for the rest of summer, please pray for the ministry we will be doing in Houston Impact, as well a camp following. Pray for those leading us and for the people we will be serving. Pray for strong faith and endurance through these events.

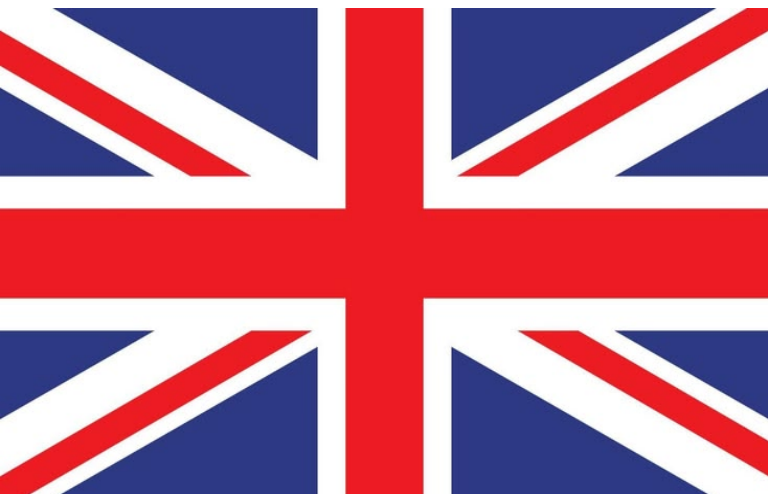

Please pray for my home, the Nation as a whole needs prayer for the people to allow God into their hearts.

Continue to pray for my family and my mum especially as she continues to recover praise God.

And pray for my dad who is caring for my mother and family as well as continuing to minister to congregations in England and the work they are doing in the communities. It is a good work that my family and friends across the UK are doing, and I am eager to return and join them.

**Thank you all for your support and encouragement
whether that is financially, spiritually, or through
prayer and keeping in touch! I am very grateful for
each and every one of you.**

**If there is anything I can do for YOU, please let me
know!**

**Remember that Jesus loves you and will never leave
you.**
