

We have had another wonderful month of growth and development. Derby church of christ is thriving and growing rapidly. We have introduced new classes and are looking at starting an additional online class during the week. Its a blessing to see the ongoing development in this great city.

Derby growing

The congregation is blessed with so many gifted brethren from teaching to outreach and ministry. We have begun to put together a plan for 2027 and are looking to outreach focusing on evangelism. We don't wait for folks to come to us, we are getting out and letting the city know we are here and ready to serve and teach.

Derby city peaked with university students

The City is overcrowded with students and its wonderful, this pictures shows the location of our mission field, Street ministry at its maximum impact.

We are seeking to study on the bench or pavement, coffee shops, library's, anywhere we find people we are taking the word of God to them, our goal is to become visible daily as do the Islamic groups.

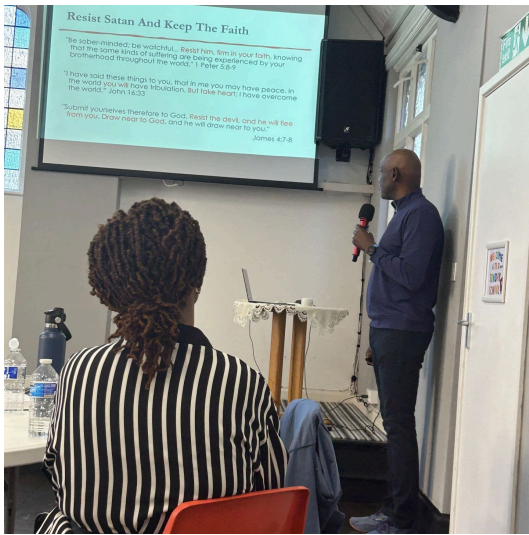

Baptized in Derby Monday 28/9

After prayer and study Francisca gave her life to Christ, we are so very excited, recently she and her husband had a new born child and the church have worked together to provide help and support.

Monday morning, she made the choice to give her life to christ, I collected her and the family, we travelled to the local congregation in my town and I was blessed to baptize her into christ. Please keep her in prayer

Greg Watson (Leicester)

Greg Watson from Sunset arrived in Leicester to present a Saturday seminar on spiritual warfare, he did such a wonderful job and gave an outstanding series of lessons through the day. The congregation got to interact and be involved during each session and the response was such a blessing.

Leicester did such a wonderful job, the whole day was wonderful.

I was so blessed to catch up with my dear Leicester brothers and sisters in Christ, it was a delight and joy, God is doing great work in this city and we are thankful for the faithful ministry they continue to do for the Lord.

Please keep Leicester in prayer as they continue in the Lord.

Janet and myself will be worshipping with the Leicester congregation at the end of this month God Willing.

Derby Youth day

We had a fantastic youth day in the city of Derby with youth from all over the UK joining us, this event is always special and popular. We thank God for all who attended.

Church establishing program

The lesson above is Establishing a church with a question mark. I am a strong believer that we don't establish a church, we start a ministry with the only church already established by Christ Himself.

I am aiming to present a series of lessons on impacting our homes and the community and being ready to serve and minister in every location we are in.

Our goal being to allow the already established Church to take route in the location we are at.

Cory & Patrick visit 2nd October

Cory and Patrick are dropping by for a couple of days to visit and work alongside myself, needless to say we are always involved in ministry work so they will get to preach, teach and as with me hit the runway running, we are thankful and look forward to them arriving.

Saturday outreach stoke/Crewe

We are heading to the new ministry's in the city's of stoke and Crewe to share the word and seek ways to lift the congregations, we will be joining both congregations on the Saturday

Sunday preaching teaching Derby & fellowship Lunch

Sunday the brothers will be leading class and preaching in Derby, we will be having a fellowship dinner and then hopefully heading Sheffield to meet the church in one of the homes Sunday evening.

Monday Outreach Derby

We will be in the city of Derby Monday with a combined ministry and fellowship before they leave Tuesday.

New Bus

By Gods grace we have been blessed with a 8 seater people carrier, this is an absolute blessing, within 5 days of collecting it I will be heading to Milton Keynes with 7 sisters including Janet who will attend a sisters fellowship day, the van will be used for ministry on a daily basis and will be used on

campaigns as we will rent a second van giving us 16 seats. God is so Good

Unable to attend European lectures 2026

Sadly this year I will not be able to attend these lectures due to my work load, this is always my favorite event as I meet all our European ministers and friends, my prayer is that the event is a blessing to all who attend, God willing next year I will be able to return.

I am praying to attend the sunset lectures in January 2027

Janet's health update

Janet continues to take each day with thanks, her last MRI was clear and we thank our great God, her next MRI will be in November. Janet attends weekly service and always greets every member, they call her mother.

She continues with her speech therapy, thank you all for the love and prayers.

Thank you ministry partners

Thank you brethren, we are so excited about the ministry and all that God is enabling us to do.

Doors are opening daily in Derby and around all the ministries we support.

We would not be able to do this without your support.

We ask that you give thanks to the Church.

We love you all

In Him

Paul and Janet Hill

2 Corinthians 13:11

¹¹ Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you.
