

Dear Bright Horizons Families,

It is that time again, to begin enrolling for the **2024-2025 school year**. There will be some changes at Bright Horizons that we want you to be aware of as you are planning and budgeting for your school year next year. As you know, prices are increasing for everything and that is affecting Bright Horizons as well. We want to be able to continue to hire quality teachers and provide fun crafts and activities to make Bright Horizons the best place possible.

Tuition will be \$185 a month or \$1,665 for the year, per child, for ALL ages.

Enrollment for the fall will begin for current Bright Horizons families on Monday, **February 12th**. We will open enrollment for **Green Lawn church members** on Wednesday, February 14th, and then we will have **open enrollment** for all new students on Monday, February 26th.

This will be first come, first serve. **You must complete an enrollment form AND turn in the \$100 non-refundable enrollment fee by check or cash directly to the Director (NOT ONLINE) for your spot to be reserved. We cannot guarantee a spot for your child(ren) until we have both the form and fee in hand.**

IF you are needing extended care hours, please read below.

We will be offering morning extended care from 7:45 AM - 8:45 AM for \$75 a month and afternoon extended care from 2:30 PM – 5:00 PM for \$105 a month. These will be the prices no matter what time you drop off or pick up.

There **will not** be an option for “**drop-ins**” for extended care at this time. If you will need extended care hours you will need to reserve a spot for the year. To reserve this spot, we will need an additional “extended care form” filled out and turned in at the time you turn in the enrollment form and fee. This form will help us know ahead of time what kind of staffing we will need.

If you are needing just a little extra time on Mondays & Wednesdays, we will be moving Stretch & Grow Ballet and TOTS Basketball classes after school hours next year. This will also prevent disrupting the kids from nap and class time at Bright Horizons and give another brief extended care option. The children will go from class, and you may pick up at 3:00 PM.

**Stretch & Grow Ballet will be on Mondays from 2:30 PM – 3:00 PM
TOTS Basketball program will be on Wednesdays from 2:15- 3:00 PM.
Current tuition for Stretch & Grow is \$43 per month and TOTS is \$48 per month.**

You will be able to enroll in these programs at our Bright Horizons Open House in the fall.

We appreciate your understanding with all of the changes and price increases. We hope to continue to serve and love your family next year. If you have any further questions, please feel free to come and talk to us.
