Today we were delighted to have fellowship lunch after church as we honoured Bro Daniel and Sister Bethanie moving shortly to USA for two years to study at the Sunset International Bible Institute. They will be missed.

Here we said goodbye to our beloved Brethren in Leicester, England. We spent time in fellowship with our brethren and received so much encouragement in preparation for SIBI. We will truly miss our Leicester family, we thank them for all their love, support and encouragement over the years. We Love you!

We packed up our things into these cases, this is all we had left, and we moved out of our home in Loughborough. We then stayed with a sister from Leicester for 10 days before we flew to the USA on July 10<sup>th</sup>.

By God's grace we arrived safely in Lubbock on July 10<sup>th</sup>. We were greeted by members from Greenlawn Church of Christ at the airport and were made to feel so welcome. We have since settled in and acclimated to life in Lubbock. We are renting a home; a car has kindly been donated to us and we have learned to drive on the right side of the road. We were supported to set up bank accounts/phones/bills and get supplies that we needed for school. We have also had the chance to meet some fellow SIBI students and faculty members whilst helping other students move into their homes. We have been worshipping with the Greenlawn Church of Christ, attending midweek bible class as well as volunteering at the blessing center at the weekends. We have met so many wonderful people and have truly been looked after since arriving. We have enrolled on our courses for school and have our supplies, orientation starts on August 8<sup>th</sup> and our classes begin on August 12<sup>th</sup>, we are ready to go!

We would like to express our gratitude to those who have supported us and helped us with our move to Lubbock. We have been overwhelmed with the love and support that we have received and for that we give God all the glory. We would love to keep you all updated on our studies and we ask that you continue to keep us in prayer, that we may remain focused and gain the understanding as we begin our studies. Thank you all again and God Bless.
