

San Luis de la Paz

Dear brethren,

Peace be with you and may the Lord's blessings flow upon you. This Spring quarter has been filled with blessings and challenges. We had our Help-the-Needy campaign in March and served more than 20 families! We constantly invite attendees to services and to bring their children too.

During the month of May, we went to Querétaro city and other places in Guanajuato to collect clothing and show donations for our next campaign. People have been very generous!

Challenges we faced this quarter involved people with illnesses and additions, as well as an attempt for robbery at the church building. Our home was also struck by illness that required strong medications and rest. However, despite these hurdles, we continue to preach, teach, and visit non-stop, giving thanks to our Father for His providence.

We thank you for your prayers and support!

God bless you all!

Calle Laureles #104,
Colonia El Campestre
San Luis de la Paz, Gto. México
