01 FOUR GOALS FOR THE SERIES

BELIEVE/THINK

Not a misunderstanding. A rivalry.

KEY PRACTICE:

Digital Asceticism

Taking responsibility for our spiritual development by embracing God's way and resources

1 Corinthians 9:24 – 27

Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last for ever. Therefore I do not run like a man running aimlessly; I do not fight like a man beating the air. No, I beat my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize.

1 CORINTHIANS 9

"All things to all men" vs 22

"I beat my body and make it my slave" vs 27

Substantial holiness as "all things to all men"

We might think that to be all things to all people, we must not make ourselves all that unlike others in pursuing godlinesssince such changes only makes the cultural chasm bigger. The truth is the opposite. It was through extreme, yet humble and loving, holiness that Jesus and his apostles were able to be approachable to the world. The more mature they were, the more intuitively they knew the difference between outer trivialities and vital forms of real godliness; thus the more they could handle and touch things in this world without being possessed or corrupted by them.
